PROHIBITION OF SALES TO EEA RETAIL INVESTORS: The Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA Retail Investor**"). For these purposes, an EEA Retail Investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended from time to time, "**MiFID**"); (ii) a customer within the meaning of the Insurance Mediation Directive (Directive 2002/92/EC (as amended from time to time)) ("**IMD**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Directive 2003/71/EC (as amended from time to time, including by Directive 2010/73/EU, the "**Prospectus Directive**"). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended from time to time, the "**PRIIPs Regulation**") for offering or selling the Securities or otherwise making them available to EEA Retail Investors has been prepared and therefore offering or selling the Securities or otherwise making them available to any EEA Retail Investor may be unlawful under the PRIIPs Regulation.

What is this document?

This document constitutes the Pricing Supplement of the Securities (the "**Pricing Supplement**") described herein and is prepared in connection with the Offering Circular under the Global Structured Securities Programme established by Barclays Bank PLC (the "**Issuer**") and is supplemental to the Offering Circular dated 21 June 2018, as supplemented by the Supplemental Offering Circulars from time to time.

What other documents do I need to read?

This Pricing Supplement sets out the specific details of your particular issuance of Securities and supplements the terms and conditions and disclosure set out in the Offering Circular including any Supplemental Offering Circulars. Therefore, full information on the Issuer and the Securities is only available on the basis of the combination of this Pricing Supplement and the Offering Circular including any Supplemental Offering Circulars. The Offering Circular and any Supplemental Offering Circulars are available for viewing and copies may be obtained from the registered office of the Issuer and by electronic version from the Issue and Paying Agent whose specified office for the time being is in London.

Capitalised terms used in this Pricing Supplement, if not defined in this Pricing Supplement, have the meanings given to them in the Offering Circular and/or any Supplemental Offering Circulars.

What should I consider before investing in Securities issued under the Pricing Supplement?

Investment in Securities that are issued under this Pricing Supplement involve a significant degree of risk and if you invest in them you should be prepared to sustain a loss of all or part of your investment. You should not acquire any Securities unless (i) you understand the nature of the relevant transaction, the complexity of the transaction, the risks inherent in securities and the extent of your exposure to potential loss and (ii) any investment in such Securities is consistent with your overall investment strategy. Before investing in the Securities you should consider carefully whether the Securities you are considering acquiring are suitable in light of your investment objectives, financial capabilities and expertise. You should also consult your own business, financial, investment, legal, accounting, regulatory, tax and other professional advisers to assist you in determining the suitability of the Securities for you as an investment.

US withholding on dividend equivalent amounts: If in item 49 '871(m) Securities' below the Pricing Supplement provides that the Issuer has determined that the Securities are subject to US withholding tax under Section 871(m) of the US Internal Revenue Code and regulations promulgated thereunder, then certain actual or deemed payments on the Securities held by non-US investors generally will be subject to US withholding tax of 30 per cent without regard to any reduced rate that may apply under a treaty, as more fully described in 'US federal tax treatment of Non-US Holders' in the Taxation section of the Offering Circular. No additional amounts will be payable in respect of such withholding taxes.

Prospective investors are urged to read the section headed "Risk Factors" in the Offering Circular as supplemented by the Supplemental Offering Circulars for a discussion of certain matters that should be considered when making a decision to invest in the Securities.

Who is responsible for the content of this Pricing Supplement?

The Issuer accepts responsibility for the information contained in this Pricing Supplement. To the best of its knowledge and belief (having taken all reasonable care to ensure that such is the case), the information contained in this Pricing Supplement is in accordance with the facts and does not contain anything likely to affect the import of such information.
