€5,000,000,000

EURO MEDIUM TERM NOTE PROGRAMME

This base prospectus (this "**Base Prospectus**") has been approved by the Luxembourg *Commission de Surveillance du Secteur Financier* (the "**CSSF**"), which is the Luxembourg competent authority for the purpose of Directive 2003/71/EC (the "**Prospectus Directive**") and relevant implementing measures in Luxembourg, as a base prospectus in accordance with Article 5.4 of the Prospectus Directive and relevant implementing measures in Luxembourg for the purpose of giving information with regard to the issue of notes ("**Notes**") issued under the Euro Medium Term Note Programme (the "**Programme**") described in this Base Prospectus during the period of twelve months after the date hereof. Potential purchasers should note the statements on pages 160 to 168 regarding the tax treatment in Spain of income obtained in respect of the Notes and the disclosure requirements imposed by Law 13/1985 of 25 May 1985 ("**Law 13/1985**"), as amended, on the Issuer relating to the identity and country of residence of Noteholders. to involve any adverse change, in the prospects or financial or trading position of the Issuer since the date thereof or, if later, the date upon which this Base Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct at any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Base Prospectus and any Final Terms or Drawdown Prospectus, as the case may be, and the offering, sale and delivery of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus or any Final Terms or Drawdown Prospectus, as the case may be, comes are required by the Issuer and the Dealers to inform themselves about and to observe any such restrictions. For a description of certain restrictions on offers, sales and deliveries of Notes and on the distribution of this Base Prospectus or any Final Terms or Drawdown Prospectus, as the case may be, and other offering material relating to the Notes, see "*Subscription and Sale*". In particular, Notes have not been and will not be registered under the United States Securities Act of 1933 (as amended) (the "**Securities Act**") and are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to U.S. persons.

Neither this Base Prospectus nor any Final Terms or Drawdown Prospectus, as the case may be, constitutes an offer or an invitation to subscribe for or purchase any Notes and should not be considered as a recommendation by the Issuer or any Dealer that any recipient of this Base Prospectus or any Final Terms or Drawdown Prospectus, as the case may be, should subscribe for or purchase any Notes. Each recipient of this Base Prospectus or any Final Terms or Drawdown Prospectus, as the case may be, shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuer.

The maximum aggregate principal amount of Notes outstanding at any one time under the Programme will not exceed €5,000,000,000 (and for this purpose, any Notes denominated in another currency shall be translated into euros at the date of the agreement to issue such Notes (calculated in accordance with the provisions of the Dealer Agreement). The maximum aggregate principal amount of Notes which may be outstanding at any one time under the Programme may be increased from time to time, subject to compliance with the relevant provisions of the Dealer Agreement as defined under "*Subscription and Sale*".

Certain figures included in this Base Prospectus have been subject to rounding adjustments; accordingly, figures shown for the same category presented in different tables may vary slightly and figures shown as totals in certain tables may not be an arithmetic aggregation of the figures which precede them.

This Base Prospectus has been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (2003/71/EC) (each, a "**Relevant Member State**") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Base Prospectus as completed by Final Terms or a

Drawdown Prospectus in relation to the offer of those Notes may only do so (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by Final Terms or is a Drawdown Prospectus which specifies that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State and such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or final terms or drawdown prospectus, as applicable. Except to the extent sub-paragraph (ii) above may apply, neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or person(s) acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

For the avoidance of doubt, uniform resource locators ("URLs") given in respect of web-site addresses in the Base Prospectus are inactive textual references only and it is not intended to incorporate the contents of any such web sites into this Base Prospectus nor should the contents of such web sites be deemed to be incorporated into this Base Prospectus.

Disclosure of Noteholder Information:

Law 4/2008, of 23 December, abolishing the Wealth Tax levy, generalising the Value Added Tax monthly refund system and introducing other amendments to the tax legal system ("**Law4/2008**") was published in the Spanish Official Gazette on 25 December 2008. Law 4/2008 amends, among other things, Additional Provision Two of Law 13/1985, which was the source of the obligation on Spanish issuers or their parent companies to provide relevant information concerning non-resident holders of securities operating through a permanent establishment in Spain to the Spanish Tax and Supervisory Authorities.

Pending the adoption of relevant secondary legislation to implement the changes contemplated under Law 4/2008, and in accordance with the consultations from the General Directorate of Taxation dated 20 January 2009, the current procedures as laid down in section 44 of Royal Decree 1065/2007 in relation to the identity and residence of the holders of securities, remain applicable irrespective of whether or not holders of securities are resident in Spain.

In accordance with these consultations, the ICSDs (and any other relevant clearing systems) continue to require compliance with such procedures, and therefore the obligation to provide information concerning Noteholders who are not resident in Spain continues to apply.

For a description of these agreed procedures in relation to the collection of such details, see "*Taxation — Taxation in Spain — Disclosure of Noteholder Information in Connection with Interest Payments*".

Noteholders must seek their own advice to ensure that the relevant Clearing System participants and the relevant Clearing System comply with all procedures to ensure correct tax treatment of their Notes. None of the Issuer, the Arranger, the Dealers, the Issue and Paying Agent or the relevant Clearing Systems assume any responsibility therefor.

Governing Law:

The issue of the Notes, including their legal nature (*obligaciones*), the status of the Notes and the subordination provisions in relation to the Notes, the capacity of the Issuer, the relevant corporate resolutions, the appointment of the Commissioner and the constitution of the Syndicates of Holders of the Notes will be governed by Spanish law. The terms and conditions of the Notes, the Issue and Paying Agency Agreement and the Deed of Covenant and all non-contractual obligations arising out of or in connection with the terms and conditions of the Notes, the Issue and Paying Agency Agreement and the Deed of Covenant, are governed by, and shall be construed in accordance with, English law.

Enforcement of Notes in Global Form:

In the case of Global Notes, individual investors' rights against the Issuer will be governed by a Deed of Covenant dated 25 November 2009, a copy of which will be available for inspection at the specified office of the Issue and Paying Agent.

Ratings:

The rating of the Notes to be issued under the Programme will be specified in the applicable Final Terms. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

Selling Restrictions:

For a description of certain restrictions on offers, sales and deliveries of Notes and on the distribution of offering material, see "*Subscription and Sale*" below.

RISK FACTORS

Prospective investors should read the entire Base Prospectus. Words and expressions defined in the "Terms and Conditions of the Notes" below or elsewhere in this Base Prospectus have the same meanings in this section.

Investing in Notes issued under the Programme involves certain risks. Prospective investors should consider, among other things, the following:

The Issuer believes that the following factors may affect its ability to fulfil its respective obligations under Notes issued under the Programme. Most of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below. The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay any amounts due on or in connection with any Notes or the Deed of Covenant, may occur for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the information set out elsewhere in this Base Prospectus and reach their own view prior to making any investment decision.

Risks relating to the Issuer

Since the Consumer Group's loan portfolio is concentrated in Continental Europe, adverse changes affecting the Continental European economy could adversely affect the Consumer Group's financial condition

The Consumer Group's loan portfolio is concentrated in Continental Europe, in particular Germany, accounting for approximately 42% of its total outstanding portfolio in December 2008, and Spain, with 25% of the total outstanding portfolio at that date. Therefore, adverse changes affecting the economies of Continental Europe countries, in particular Germany and Spain, where the Consumer Group operates, would be likely to have a significant adverse impact on the Consumer Group's loan portfolio and, as a result, on its financial condition, cash flow and results of operations (details of the impact that the global economic slowdown has had on the Consumer Group are set out below).

Some of the Consumer Group's business is cyclical and the Consumer Group's income may decrease when demand for certain products or services is in a down cycle

The level of income the Consumer Group derives from certain of its products and services depends on the strength of the economies in the regions where the Consumer Group operates and certain market trends prevailing in those areas. Therefore, negative cycles may adversely affect the Consumer Group's income in the future.

A sudden shortage of funds could increase the Consumer Group's cost of funding and have an adverse effect on the Consumer Group's liquidity and funding

Historically, one of the Consumer Group's sources of funds has been customer deposits. At 31 December 2008, 35% of Euro zone funding had been undertaken through customer deposits. Sight deposits and saving accounts represented 41% of total customer deposits at that date. Sight deposits and saving accounts may be a less stable source of deposits than other types of deposits.

The loss of market liquidity, triggered by the deterioration of the U.S. sub-prime credit market, continues to affect the supply and cost of liquidity and funding. The effects of the downturn have spread to the global economy, in particular to issuances in wholesale markets (principally asset backed securities) and to the availability of liquid resources via the interbank markets. In this context, there can be no assurance that the Consumer Group will not incur materially higher funding costs or be required to liquidate certain assets.

The Consumer Group is vulnerable to the current disruptions and volatility in the global financial markets as well as to government action intended to alleviate the effects of the current financial crisis

Since August 2007, the global financial system has experienced difficult credit and liquidity conditions and disruptions leading to less liquidity, greater volatility, general widening of spreads and, in some cases, lack of price transparency on interbank lending rates. In September 2008, global financial markets deteriorated sharply following the bankruptcy filing by Lehman Brothers Holdings Inc. In the days that followed, it became apparent that a number of other major financial institutions, including some of the largest global commercial banks, investment banks, mortgage lenders, mortgage guarantors and insurance companies, were experiencing significant difficulties.

The difficult economic environment and the slowdown of the world's economy have affected Consumer Group units all over the world. New business has suffered a contraction, firstly due to the drop of car sales and secondly due to the risk policy of the Consumer Group, which reduced the amount of admissions. In Spain these factors resulted in a drop of volume of new business in the period 2007/2008, while the worsening of the risk indicators and the higher level of provisions have had a direct impact on the results for the year 2008. Owing to the geographical diversification of the Consumer Group there has been some compensation between the results in different units (for example, in the case of Germany, the early adoption of a scrappage incentive scheme lessened the impact on the volume of new business and risk indicators have not increased).

Following the bankruptcy filing by Lehman Brothers Holdings Inc., there were runs on deposits at several financial institutions and numerous institutions sought additional capital. Central banks around the world have coordinated efforts to increase liquidity in the financial markets by taking measures such as increasing the amounts they lend directly to financial institutions, lowering interest rates and significantly increasing temporary reciprocal currency arrangements (or "swap lines").

In an attempt to prevent the failure of the financial system, the United States and European governments have intervened on an unprecedented scale. In the United States, the federal government has taken equity stakes in several financial institutions, has implemented a programme to guarantee the short-term and certain medium-term debt of financial institutions, has increased consumer deposit guarantees, and has brokered the acquisitions of certain struggling financial institutions, among other measures. In the United Kingdom, the government has effectively

nationalised some of the country's largest banks, has provided a preferred equity programme open to all financial institutions and a programme to guarantee short-term and certain medium-term debt of financial institutions, among other measures. In Spain, the government has increased consumer deposit guarantees, has made available a programme to guarantee the debt of certain financial institutions, has created a fund to purchase assets from financial institutions and the Spanish Ministry of Economy and Finance has been authorised, on an exceptional basis and until 31 December 2009, to acquire, at the request of credit institutions resident in Spain, shares and other capital instruments (including preferred shares) issued by such institutions. In addition, in 2009 the Spanish government set up the *Fondo de Reestructuración Ordenada Bancario* which manages the restructuring of credit entities and supports the capital of such entities in the process of integration. There is no assurance that these measures will successfully alleviate the current financial crisis. In addition, some of these measures could lead to increased government ownership and control over financial institutions and further consolidation in the financial industry, all of which could adversely affect the Consumer Group's business, financial condition and results of operations.

Despite the extent of the aforementioned intervention, global investor confidence remains low and credit remains relatively scarce. In addition, the world's largest developed economies, are in the midst of economic recessions. Continued or worsening disruption and volatility in the global financial markets could have a material adverse effect on the Consumer Group's ability to access capital and liquidity on financial terms acceptable to it, if at all. If capital markets financing ceases to become available, or becomes excessively expensive, the Consumer Group may be forced to raise the rates it pays on deposits to attract more customers. Any such increase in capital markets funding costs or deposit rates would entail a repricing of loans, which would result in a reduction of volumes, and may also have an adverse effect on the Consumer Group's interest margins. Continuance in the economic downturn, especially in Germany or Spain, could also result in a general reduction in business activity and a consequent loss of income for the Consumer Group.

Risks concerning borrower credit quality and general economic conditions are inherent to the Consumer Group's business

Risks arising from changes in credit quality and the recoverability of loans and amounts due from counterparties are inherent to a wide range of the Consumer Group's businesses. Adverse changes in the credit quality of the Consumer Group's borrowers and counterparties or a general deterioration in European or global economic conditions, or arising from systemic risks in the financial systems, could reduce the recoverability and value of the Consumer Group's assets and require an increase in the Consumer Group's level of provisions for credit losses. Deterioration in the economies in which the Consumer Group operates could reduce the profit margins for the Consumer Group's businesses.

The financial problems which the Consumer Group's customers may face could adversely affect the Consumer Group

Market turmoil and economic recession could materially adversely affect the liquidity, businesses and/or financial condition of the Consumer Group's borrowers, which could in turn further increase the Consumer Group's non-performing loan ratios, impair the Consumer Group's loan and other financial assets and result in decreased demand for borrowings in general. In a context of continued market turmoil, economic recession and increasing unemployment, coupled with declining consumer

spending, the value of assets collateralising the Consumer Group's secured loans, including homes and other real estate, could decline significantly, which could result in an impairment to the value of the Consumer Group's loan assets. Moreover, in the second half of 2008, the Consumer Group already began to experience an increase in the Consumer Group's non-performing loan ratios, a deterioration in asset quality and a slowdown in business volumes. Any of the conditions described above could have a material adverse effect on the Consumer Group's business, financial condition and results of operations.

The Consumer Group is exposed to risks faced by other financial institutions

The Consumer Group transacts with counterparties in the financial services industry, including brokers and dealers, commercial banks, investment banks, mutual and hedge funds, and other institutional clients. Defaults by, and even rumours or questions about the solvency of certain financial institutions and the financial services industry generally, have led to market-wide liquidity problems and could lead to losses or defaults by other institutions. These liquidity concerns have had, and may continue to have, a chilling effect on inter-institutional financial transactions in general. Some of the transactions the Consumer Group enters into expose it to significant credit risk in the event of default by one of the Consumer Group's counterparties. Despite the risk control measures the Consumer Group has put in place, a default by a significant financial counterparty, or liquidity problems in the financial services industry in general, could have a material adverse effect on the Consumer Group's business, financial condition and results of operations.

Despite the Consumer Group's risk management policies, procedures and methods, the Consumer Group may nonetheless be exposed to unidentified or unanticipated risks

The Consumer Group's risk management techniques and strategies may not be fully effective in mitigating the Consumer Group's risk exposure in all economic market environments or against all types of risk, including risks that the Consumer Group fails to identify or anticipate. Some of the Consumer Group's qualitative technologies and strategies for managing risk are based upon the Consumer Group's use of observed historical market behaviour. The Consumer Group applies statistical and other tools to these observations to arrive at quantifications of its risk exposures. These qualitative techniques and strategies may fail to accurately predict future risk exposures. These risk exposures could, for example, arise from factors that the Consumer Group did not anticipate or correctly evaluate in its statistical models. This would limit the Consumer Group's ability to manage its risks. The Consumer Group's losses thus could be significantly greater than the historical measures indicate. In addition, the Consumer Group's quantified modelling does not take all risks into account. The Consumer Group's more qualitative approach to managing those risks could prove insufficient, exposing it to material unanticipated losses. If existing or potential customers believe the Consumer Group's risk management is inadequate, they could take their business elsewhere. This could harm the Consumer Group's reputation as well as its revenues and profits.

The Consumer Group's recent and future acquisitions may not be successful and may be disruptive to the Consumer Group's business

The Consumer Group has historically acquired controlling interests in various companies, including the recent RBS and GE purchase transactions described under "*Recent Developments*" below, and has engaged in other strategic partnerships. Additionally, the Consumer Group may consider other strategic acquisitions and partnerships from time to time. There can be no assurances that the Consumer Group will be successful in its plans regarding the operation of past or future acquisitions and strategic partnerships.

The Consumer Group can give no assurance that its acquisition and partnership activities will perform in accordance with the Consumer Group's expectations. The Consumer Group bases its assessment of potential acquisitions and partnerships on limited and potentially inexact information and on assumptions with respect to operations, profitability and other matters that may prove to be incorrect. In addition, it is possible that the integration process of the Consumer Group's recent (and any future) acquisitions could take longer or be more costly than anticipated or could result in the loss of key employees, the disruption of each Consumer Group company's ongoing businesses or inconsistencies in standards, controls, procedures and policies that adversely affect the ability of each Consumer Group company to maintain relationships with clients, customers or employees. If the Consumer Group takes longer than anticipated or is not able to integrate the aforementioned businesses, the anticipated benefits of the Consumer Group's recent acquisitions may not be realised fully or at all, or may take longer to realise than expected.

Increased competition in the countries where the Consumer Group operates may adversely affect the Consumer Group's growth prospects and operations

Most of the consumer finance markets in which the Consumer Group operates are highly competitive. There can be no assurance that increased competition in the markets will not adversely affect the Consumer Group's growth prospects, and therefore its operations. The Consumer Group also faces competition from non-bank competitors, such as brokerage companies, department stores (for some credit products), leasing and factoring companies, and financial companies.

Volatility in interest rates may negatively affect the Consumer Group's net interest income and increase the Consumer Group's non-performing loan portfolio

Changes in market interest rates could affect the interest rates charged on interest-earning assets differently than those paid on interest-bearing liabilities. This difference could result in an increase in interest expenses relative to interest income leading to a reduction in the Consumer Group's net interest income. Rising interest rates may also bring about an increase in non-performing loan portfolio. Interest rates are highly sensitive to many factors beyond the Consumer Group's control, including increased regulation of the financial sector, monetary policies, domestic and international economic and political conditions and other factors.

Foreign exchange rate fluctuations may negatively affect the Consumer Group's earnings and the value of its assets and shares

In the ordinary course of its business, the Consumer Group has a percentage of its assets and liabilities denominated in currencies other than the Euro. Fluctuations in the value of the Euro against other currencies may adversely affect the Consumer Group's profitability. Additionally, while most of the governments of the countries in which the Consumer Group operates have not imposed prohibitions on the repatriation of dividends, capital investment or other distributions, no assurance can be given that these governments will not institute restrictive exchange control policies in the future.

Balance sheets of each business area are hedged in the area's own currency, basically using natural on-balance sheet hedges.

Changes in the regulatory framework, including increased regulation of the financial services industry in the jurisdictions where the Consumer Group operates, could adversely affect its business

As a result of the current financial crisis and ensuing government intervention, it is widely anticipated that there will be a substantial increase in government regulation of the financial services industry, including the imposition of higher capital requirements, heightened disclosure standards and restrictions on certain types of transaction structures. New regulations could require the Consumer Group to inject further capital into the Consumer Group's businesses as well as in businesses which the Consumer Group acquires, restrict the type or volume of transactions the Consumer Group enters into, or set limits on or require the modification of rates or fees that the Consumer Group charges on certain loans or other products. Any of such consequences could lower the return on the Consumer Group's investments, assets and equity. The Consumer Group may also face increased compliance costs and limitations on its ability to pursue certain business opportunities. Changes in regulations, which are beyond the Consumer Group's control, may have a material effect on the Consumer Group's business and operations. As some of the banking laws and regulations have only recently been adopted, the manner in which those laws and related regulations are to be applied to the operations of financial institutions is still evolving. Moreover, no assurance can be given generally that laws or regulations will be adopted, enforced or interpreted in a manner that will not have an adverse affect on the Consumer Group's business.

Operational risks are inherent in the Consumer Group's business

The Consumer Group's businesses depend on the ability to process a large number of transactions efficiently and accurately. Losses can result from inadequate personnel, inadequate or failed internal control processes and systems, or from external events that interrupt normal business operations.

The Consumer Group also faces the risk that the design of its controls and procedures prove to be inadequate or are circumvented. The Consumer Group has suffered losses from operational risk in the past and there can be no assurance that the Consumer Group will not suffer material losses from operational risk in the future.

The Consumer Group is exposed to risk of loss from legal and regulatory proceedings

Failure to address issues appropriately such as potential conflicts of interest, legal and regulatory requirements, ethical issues, and conduct by companies in which the Consumer Group holds strategic investments or joint venture partners, could increase the number of litigation claims and the amount of damages asserted against the Consumer Group or subject the Consumer Group to regulatory enforcement actions, fines and penalties. Currently, the Issuer and its subsidiaries are the subject of a number of legal proceedings and regulatory actions. An adverse result in one or more of these proceedings could have a material adverse effect on the Consumer Group's operating results for any particular period.

Credit, market and liquidity risk may have an adverse effect on the Consumer Group's credit ratings and its cost of funding

Credit ratings affect the cost and other terms upon which the Consumer Group is able to obtain funding. Rating agencies regularly evaluate the Consumer Group and their ratings are based on a number of factors, including the Consumer Group's financial strength as well as conditions affecting the financial services industry generally.

Any downgrade in the Consumer Group's ratings or even in the Banco Santander, S.A. and its consolidated subsidiaries (the "**Santander Group**") rating could increase its borrowing costs, limit its access to capital markets and adversely affect the ability of the Consumer Group's business to sell or market its products, engage in business transactions and retain its customers. This, in turn, could reduce the Consumer Group's liquidity and have an adverse effect on its operating results and financial condition.

While the Consumer Group's long-term debt is currently rated investment grade by the major rating agencies (A2 by Moody's Investors Service España, S.A., AA by Standard & Poor's Ratings Services and AA by Fitch Ratings Ltd.), following the Santander Group's announcement of its proposed acquisition of Sovereign Bancorp Inc. ("**Sovereign**"), Fitch Ratings Ltd. lowered the Santander Group's outlook and, consequently, the Consumers Group's outlook to negative, until all the necessary approvals relating to this acquisition had been received and they were able to assess more accurately the scope of the risks of the integration. On 26 June 2009, Fitch affirmed their ratings and also raised the Santander Group, and consequently the Consumer Group's, outlook from negative to stable. In March 2009, Standard & Poor's Ratings Services revised the rating of the Santander Group and consequently the Consumers Group's outlook, to negative based on lower expectations for economic growth in the countries in which the Santander Group operates. In light of the difficulties in the financial services industry and the financial markets, there can be no assurance that the rating agencies will maintain the Consumer Group's current ratings or outlooks. The Consumer Group's failure to maintain those ratings and outlooks could increase the cost of its funding and adversely affect the Consumer Group's interest margins.

Risks Relating to the Insolvency Law

Law 22/2003 (*Ley Concursal*) dated 9 July 2003 ("**Law 22/2003**" or the "**Insolvency Law**"), which came into force on 1 September 2004 supersedes all pre-existing Spanish provisions which regulated

the bankruptcy, insolvency (including suspension of payments) and any process affecting creditors' rights generally, including the ranking of its credits. Law 22/2003 provides, among other things, that: (i) any claim may become subordinated if it is not included in a company's accounts or otherwise reported to the insolvency administrators within one month from the last official publication of the court order declaring the insolvency, (ii) provisions in a contract granting one party the right to terminate on the other's insolvency may not be enforceable, (iii) interest accrued and unpaid until the commencement of the insolvency proceedings (*concurso*) shall become subordinated, and (iv) interest shall cease to accrue from the date of the declaration of insolvency.

Risks Relating to the Notes

Risks in Relation to Spanish Taxation

Under Spanish law, income in respect of the Notes will be subject to withholding tax in Spain, currently at the rate of 18 per cent. (according to the Spanish Budget Law Project for the 2010 fiscal year published on 29 September 2009, the rate is due to increase as of 1 January 2010), in relation to payments to individual Noteholders (as defined herein) who are resident in Spain and Noteholders in respect of whom the Issuer does not receive such information (which may include a tax residence certificate) concerning such Holder's identity and tax residence as it may require in order to comply with Law 13/1985 and any implementing legislation. The Issuer will not gross up payments in respect of any such withholding tax in any of the above cases (see "*Terms and Conditions of the Notes — Taxation*").

Offers of Notes into Spain are not permitted, other than as contemplated in *Subscription and Sale*, below. Notwithstanding this restriction, if Notes are held by Spanish corporate entities there is a risk the Spanish tax authorities may determine that the exemption from withholding tax currently applicable to payments of interest to Spanish corporate Noteholders (as described below in *Taxation - Legal Entities with Tax Residency in Spain - Corporate Income Tax (Impuesto sobre Sociedades)*), does not apply to such Notes. If such determination were made, the Issuer would be required to make a withholding at the applicable rate, currently 18 per cent. (subject to increase as described above), on payments of interest under the Notes and no additional amounts will be payable by the Issuer in such circumstances, as provided in "*Terms and Conditions of the Notes — Condition 9 (Taxation)*".

The ICSDs have arranged certain procedures to facilitate the Issuer and the Issue and Paying Agent in the collection of the details referred to above from Noteholders. If either of the ICSDs is, in the future, unable to facilitate the collection of such information, it may decline to allow any or all Series of the Notes to be cleared through such ICSDs and this may affect the liquidity of such Notes. Provisions have been made for the Notes, in such a case, to be represented by definitive Notes (see "*Form of the Notes*"). The procedures agreed and described in the Issue and Paying Agency Agreement may, in the future, be amended to comply with Spanish law and regulations and operational procedures of the ICSDs.

The procedure described in this Base Prospectus for the provision of information required by Spanish laws and regulations is a summary only and is subject to review and amendment by the ICSDs as well as to further clarification from the Spanish tax authorities regarding such laws and

regulations. Noteholders must seek their own advice to ensure that they comply with all procedures to ensure correct tax treatment of their Notes. None of the Issuer, the Dealers, the Paying Agents or the ICSDs assume any responsibility therefor.

Risks Relating to the Comisario

Under Spanish law, the Issuer is required to appoint a commissioner (*comisario*) (the "**Commissioner**") in relation to issues of Notes. The Commissioner owes certain obligations to the Syndicate of Noteholders (as described in the Issue and Paying Agency Agreement). However, prospective investors should note that the Commissioner will be an individual appointed by the Issuer and that such individual may also be an employee or officer of the Issuer.

Suitability

Prospective investors should determine whether an investment in the Notes is appropriate in their particular circumstances and should consult with their legal, business and tax advisers to determine the consequences of an investment in the Notes and to arrive at their own evaluations of the investment.

There is no active trading market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. Although applications have been made for the Notes issued under the Programme to be admitted to listing on the regulated market of the Luxembourg Stock Exchange, there is no assurance that such applications will be accepted, that any particular Tranche of Notes will be so admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

The Notes may be redeemed by the Issuer prior to maturity

If in the case of any particular Tranche of Notes the relevant Final Terms specifies that the Notes are redeemable at the Issuer's option in certain other circumstances the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

Because the Global Notes are held by or on behalf of Euroclear and Clearstream, Luxembourg, investors will have to rely on their procedures for transfer, payment and communication with the Issuer

Notes issued under the Programme may be represented by one or more Global Notes. Such Global Notes will be deposited with a common depositary or common safekeeper, as applicable, for Euroclear and Clearstream, Luxembourg. Except in the circumstances described in the relevant

Global Note, investors will not be entitled to receive definitive Notes. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the Global Notes. While the Notes are represented by one or more Global Notes, investors will be able to trade their beneficial interests only through Euroclear and Clearstream, Luxembourg.

While the Notes are represented by one or more Global Notes the Issuer will discharge their payment obligations under the Notes by making payments to the common depository or paying agent (in the case of a New Global Note) for Euroclear and Clearstream, Luxembourg for distribution to their account holders. A holder of a beneficial interest in a Global Note must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the relevant Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Notes.

Holders of beneficial interests in the Global Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear and Clearstream, Luxembourg to appoint appropriate proxies. Similarly, holders of beneficial interests in the Global Notes will not have a direct right under the Global Notes to take enforcement action against the Issuer in the event of a default under the relevant Notes but will have to rely upon their rights under the Deed of Covenant.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period. The Issuer may be expected to redeem Notes when their cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Risks in relation to early redemption of Subordinated Notes

With respect to the provisions of the Subordinated Notes, Bank of Spain Circular 3/2008, of 22 May (*Circular 3/2008, de 22 de mayo, del Banco de España*) ("**Circular 3/2008**") contains the following statement:

"Without prejudice to the rights granted by the bankruptcy legislation, contractual clauses cannot contemplate the early redemption of debt due to the non-payment of principal, or other debts of the issuer, or any of the members of its group."

Structured Notes (including Index Linked Notes and Dual Currency Notes)

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "**Relevant Factor**"). In addition, the Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of their investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that may convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

The Issuer's obligations under Subordinated Notes are subordinated

The Issuer's obligations under Subordinated Notes will be unsecured and subordinated and will rank junior in priority of payment to all unsubordinated obligations of the Issuer. Although Subordinated Notes may pay a higher rate of interest than comparable Notes which are not subordinated, there is a real risk that an investor in Subordinated Notes will lose all or some of his investment should the Issuer become insolvent.

Payments of principal and interest in respect of Short Term Subordinated Notes may be suspended in certain circumstances

In the event that there is a shortage in the consolidated own funds of the Issuer as defined in Chapter 3 of Circular 3/2008 the Issuer will be obliged to suspend payments of principal and interest in respect of subordinated Notes having a maturity of not less than two years ("**Short Term Subordinated Notes**").

Risks relating to Credit Linked Notes

Suitability

Investment in the Credit Linked Notes is only suitable for investors who:

- are particularly knowledgeable in investment matters and have the requisite knowledge and experience in financial and business matters and access to, and knowledge of, appropriate analytical resources to evaluate the information contained in this Base Prospectus and the relevant Final Terms and to evaluate the merits and risks of an investment in the Credit Linked Notes in the context of their financial position and circumstances;

- are capable of bearing the economic risk of an investment in the Credit Linked Notes for an indefinite period of time;
- are acquiring the Credit Linked Notes for their own account for investment, not with a view to resale, distribution or other disposition of the Credit Linked Notes (subject to any applicable law requiring that the disposition of the investor's property be within its control); and
- recognise that it may not be possible to make any transfer of the Credit Linked Notes for a substantial period of time, if at all, and are aware of the transfer restrictions contained herein.

Before making an investment decision, prospective purchasers should inform themselves about and make a detailed evaluation of the financial condition and affairs and of the creditworthiness of the Issuer, the terms of any Reference Obligation, the creditworthiness of any Reference Entity based upon publicly available information and of the tax, accounting and legal consequences of an investment in the Credit Linked Notes for such investor.

Neither the Issuer nor any party represents that it has had any access to any obligor of any Reference Obligation for the purposes of conducting any such investigation and no such person makes any representations as to the financial condition or creditworthiness of any such Reference Entity. In addition, prospective purchasers should consider the nature and financial position of the Issuer as well as the terms and conditions of the Credit Linked Notes and the other related Programme documents described herein.

Exposure of holders to credit risk on other parties and loss of principal

The payment of interest and principal under the Credit Linked Notes is dependent upon, *inter alia*, the value, performance and solvency of certain Reference Entities. The Credit Linked Notes expose investors to credit risks in relation to such Reference Entities, as well as that of the Issuer. Early redemption of the Credit Linked Notes may be triggered through certain events which are linked to the performance and creditworthiness of the Reference Obligations.

If so specified in the Final Terms, the Credit Linked Notes may be declared immediately due and payable prior to their scheduled date for redemption following the occurrence of any event of default or other mandatory redemption event.

If so specified in the Final Terms, on any mandatory redemption of the Credit Linked Notes, the net proceeds available to the Issuer may be insufficient to pay all amounts due on redemption to the Noteholders and any claims of the Noteholders remaining after application of proceeds in accordance with the Conditions shall be extinguished. Neither the Issuer nor any obligor under any of the Reference Obligation shall have any obligation to any Holder for payment of any amount owing by the Issuer in respect of the Credit Linked Notes.

Relevant Information

The Issuer or the relevant Dealer or any of their affiliates may be in possession of information in relation to any Reference Entity that is or may be material in the context of the Credit Linked Notes and that may or may not be publicly available and such parties may be prohibited from disclosing or using such information for the benefit of the Issuer. Purchase of the Credit Linked Notes by any investor does not create any obligation on the part of the Issuer, the Dealer, the Arranger or any of their affiliates to disclose to such investor any such relationship or information (whether or not confidential) and none of shall be liable to such investor by reason of such non-disclosure.

Limited liquidity

There may be no active trading market for any of the Credit Linked Notes, and the Credit Linked Notes may be subject to restrictions on transfer.

None of the Issuer, the Dealers, the Arranger or any of their affiliates will be obligated to make a market in the Credit Linked Notes or otherwise to buy and sell the Credit Linked Notes following the issue thereof. The Credit Linked Notes will be owned by a relatively small number of investors and it is highly unlikely that an active secondary market for the Credit Linked Notes will develop. Purchasers of the Credit Linked Notes may find it difficult or uneconomic to liquidate their investment at any particular time, and it may be difficult for the Noteholders to determine the value of the Credit Linked Notes at any particular time. Consequently, a purchaser must be prepared to hold the Credit Linked Notes until maturity.

Early Redemption

If the Credit Linked Notes are redeemed early according to their terms at times when prevailing interest rates may be relatively low, an investor generally will not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the Credit Linked Notes.

No investigations

No investigations, searches or other enquiries have been made by or on behalf of the Issuer or the Dealers in respect of any Reference Entity and any prospective Noteholders should make their own investigations, searches and enquiries. No representations or warranties have been given by such parties in respect of any Reference Entity or Reference Obligation.

None of the Issuer, the Dealers, the Arranger or any of their affiliates has made or is making any representations whatsoever as to any obligor of the Reference Obligations or the Reference Entities or any information contained in any document filed by any obligor of the Reference Obligations or the Reference Entities with any exchange or with any regulatory authority or governmental entity.

Purchasers of the Credit Linked Notes cannot rely, and will not at any time in the future be able to rely, on the Issuer, the Dealer, the Arranger or any of their affiliates to provide them with any information relating to, or to keep under review on their behalf, the business, financial condition, prospects, creditworthiness, status or affairs of any obligor of the Reference Obligations or any

Reference Entity or to conduct any investigation or due diligence with respect to any obligor of the Reference Obligations or any Reference Entity.

FINAL TERMS AND DRAWDOWN PROSPECTUSES

In this section the expression "necessary information" means, in relation to any Tranche of Notes, the information necessary to enable investors to make an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuer and of the rights attaching to the Notes. In relation to the different types of Notes which may be issued under the Programme the Issuer has endeavoured to include in this Base Prospectus all of the necessary information except for information relating to the Notes which is not known at the date of this Base Prospectus and which can only be determined at the time of an individual issue of a Tranche of Notes.

Any information relating to the Notes which is not included in this Base Prospectus and which is required in order to complete the necessary information in relation to a Tranche of Notes will be contained either in the relevant Final Terms or in a Drawdown Prospectus. Such information will be contained in the relevant Final Terms unless any of such information constitutes a significant new factor relating to the information contained in this Base Prospectus in which case such information, together with all of the other necessary information in relation to the relevant series of Notes, may be contained in a Drawdown Prospectus.

For a Tranche of Notes which is the subject of Final Terms, those Final Terms will, for the purposes of that Tranche only, supplement this Base Prospectus and must be read in conjunction with this Base Prospectus. The terms and conditions applicable to any particular Tranche of Notes which is the subject of Final Terms are the Conditions as supplemented, amended and/or replaced to the extent described in the relevant Final Terms.

The terms and conditions applicable to any particular Tranche of Notes which is the subject of a Drawdown Prospectus will be the Conditions as supplemented, amended and/or replaced to the extent described in the relevant Drawdown Prospectus. In the case of a Tranche of Notes which is the subject of a Drawdown Prospectus, each reference in this Base Prospectus to information being specified or identified in the relevant Final Terms shall be read and construed as a reference to such information being specified or identified in the relevant Drawdown Prospectus unless the context requires otherwise.

Each Drawdown Prospectus will be constituted either (1) by a single document containing the necessary information relating to the Issuer and the relevant Notes or (2) by a registration document (the "**Registration Document**") containing the necessary information relating to the Issuer, a securities note (the "**Securities Note**") containing the necessary information relating to the relevant Notes and, if necessary, a summary note. In addition, if the Drawdown Prospectus is constituted by a Registration Document and a Securities Note, any significant new factor, material mistake or inaccuracy relating to the information included in the Registration Document which arises or is noted between the date of the Registration Document and the date of the Securities Note which is capable of affecting the assessment of the relevant Notes will be included in the Securities Note.

FORMS OF THE NOTES

Each Tranche of Notes will initially be in the form of either a temporary global note (the "**Temporary Global Note**"), without interest coupons, or a permanent global note (the "**Permanent Global Note**"), without interest coupons, in each case as specified in the relevant Final Terms. Each Temporary Global Note or, as the case may be, Permanent Global Note (each a "**Global Note**") which is not intended to be issued in new global note ("**NGN**") form, as specified in the relevant Final Terms, will be deposited on or around the issue date of the relevant Tranche of the Notes with a depository or a common depository for Euroclear Bank S.A./N.V. as operator of the Euroclear System ("**Euroclear**") and/or Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**") and/or any other relevant clearing system and each Global Note which is intended to be issued in NGN form, as specified in the relevant Final Terms, will be deposited on or around the issue date of the relevant Tranche of the Notes with a common safekeeper for Euroclear and/or Clearstream, Luxembourg.

On 13 June 2006 the European Central Bank (the "**ECB**") announced that Notes in NGN form are in compliance with the "Standards for the use of EU securities settlement systems in ESCB credit operations" of the central banking system for the euro (the "**Eurosystem**"), provided that certain other criteria are fulfilled. At the same time the ECB also announced that arrangements for Notes in NGN form will be offered by Euroclear and Clearstream, Luxembourg as of 30 June 2006 and that debt securities in global bearer form issued through Euroclear and Clearstream, Luxembourg after 31 December 2006 will only be eligible as collateral for Eurosystem operations if the NGN form is used.

The relevant Final Terms will also specify whether United States Treasury Regulation §1.163-5(c)(2)(i)(C) (the "**TEFRA C Rules**") or United States Treasury Regulation §1.163-5(c)(2)(i)(D) (the "**TEFRA D Rules**") are applicable in relation to the Notes or, if the Notes do not have a maturity of more than 365 days, that neither the TEFRA C Rules nor the TEFRA D Rules are applicable.

Temporary Global Note exchangeable for Permanent Global Note

If the relevant Final Terms specifies the form of Notes as being "Temporary Global Note exchangeable for a Permanent Global Note", then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for interests in a Permanent Global Note, without interest coupons, not earlier than 40 days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. No payments will be made under the Temporary Global Note unless exchange for interests in the Permanent Global Note is improperly withheld or refused. In addition, interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever any interest in the Temporary Global Note is to be exchanged for an interest in a Permanent Global Note, the Issuer shall procure (in the case of first exchange) the prompt delivery (free of charge to the bearer) of such Permanent Global Note to the bearer of the Temporary Global Note or (in the case of any subsequent exchange) an increase in the principal amount of the Permanent Global Note in accordance with its terms against:

- (i) presentation and (in the case of final exchange) surrender of the Temporary Global Note to or to the order of the Issue and Paying Agent; and
- (ii) receipt by the Issue and Paying Agent of a certificate or certificates of non-U.S. beneficial ownership,

within 7 days of the bearer requesting such exchange.

The principal amount of the Permanent Global Note shall be equal to the aggregate of the principal amounts specified in the certificates of non-U.S. beneficial ownership; *provided, however, that* in no circumstances shall the principal amount of the Permanent Global Note exceed the initial principal amount of the Temporary Global Note.

The Permanent Global Note will be exchangeable in whole, but not in part, for Notes in definitive form ("**Definitive Notes**"):

- (i) on the expiry of such period of notice as may be specified in the relevant Final Terms; or
- (ii) at any time, if so specified in the relevant Final Terms; or
- (iii) if the relevant Final Terms specifies "in the limited circumstances described in the Permanent Global Note", then if (a) Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business or (b) any of the circumstances described in Condition 8 (*Events of Default*) occurs.

Whenever the Permanent Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Permanent Global Note to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Issue and Paying Agent within 30 days of the bearer requesting such exchange.

Temporary Global Note exchangeable for Definitive Notes

If the relevant Final Terms specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Notes" and also specifies that the TEFRA C Rules are applicable or that neither the TEFRA C Rules or the TEFRA D Rules are applicable, then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole but not in part, for Definitive Notes not earlier than 40 days after the issue date of the relevant Tranche of the Notes.

If the relevant Final Terms specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Notes" and also specifies that the TEFRA D Rules are applicable, then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for Definitive Notes not earlier than 40 days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. Interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever the Temporary Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Temporary Global Note to the bearer of the Temporary Global Note against the surrender of the Temporary Global Note to or to the order of the Issue and Paying Agent within 30 days of the bearer requesting such exchange

Permanent Global Note exchangeable for Definitive Notes

If the relevant Final Terms specifies the form of Notes as being "Permanent Global Note exchangeable for Definitive Notes", then the Notes will initially be in the form of a Permanent Global Note which will be exchangeable in whole, but not in part, for Definitive Notes:

- (i) on the expiry of such period of notice as may be specified in the relevant Final Terms; or
- (ii) at any time, if so specified in the relevant Final Terms; or
- (iii) if the relevant Final Terms specifies "in the limited circumstances described in the Permanent Global Note", then if (a) Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business or (b) any of the circumstances described in Condition 8 (*Events of Default*) occurs.

Whenever the Permanent Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Permanent Global Note to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Issue and Paying Agent within 30 days of the bearer requesting such exchange.

Terms and Conditions applicable to the Notes

The terms and conditions applicable to any Definitive Note will be endorsed on that Note and will consist of the terms and conditions set out under "*Terms and Conditions of the Notes*" below and the provisions of the relevant Final Terms which supplement, amend and/or replace those terms and conditions.

The terms and conditions applicable to any Note in global form will differ from those terms and conditions which would apply to the Note were it in definitive form to the extent described under "*Summary of Provisions Relating to the Notes while in Global Form*" below.

Legend concerning United States persons

In the case of any Tranche of Notes having a maturity of more than 365 days, the Notes in global form, the Notes in definitive form and any Coupons and Talons appertaining thereto will bear a legend to the following effect:

"Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code."

USE OF PROCEEDS

The net proceeds of the issue of each Tranche of Notes will be used for the general corporate purposes of the Issuer.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions which, as supplemented, amended and/or replaced by the relevant Final Terms, will be endorsed on each Note in definitive form issued under the Programme. The terms and conditions applicable to any Note in global form will differ from those terms and conditions which would apply to the Note were it in definitive form to the extent described under "Summary of Provisions Relating to the Notes while in Global Form" below.

Introduction

The Notes of each Tranche will be constituted by virtue of a public deed of issuance (the "**Public Deed of Issuance**") to be executed before a Spanish notary public and to be registered with the Mercantile Registry of Madrid on or prior to the issue date, and which shall contain, among other information, the terms and conditions of the Notes. The Notes will be issued in accordance with an issue and paying agency agreement (the "**Issue and Paying Agency Agreement**", which expression shall include any amendments or supplements thereto) dated 25 November 2009 and made between Santander Consumer Finance, S.A. (the "**Issuer**"), The Bank of New York Mellon, acting through its London branch in its capacities as issue and paying agent (the "**Issue and Paying Agent**" which expressions shall include any successor to The Bank of New York Mellon, acting through its London branch, in its capacities as such), The Bank of New York Mellon (Luxembourg) S.A. in its capacity as Listing Agent (the "**Listing Agent**", which expression shall include any successor to The Bank of New York Mellon (Luxembourg) S.A. in its capacity as such) and the paying agents named therein (the "**Paying Agents**", which expression shall include the Issue and Paying Agent and any substitute or additional paying agents appointed in accordance with the Issue and Paying Agency Agreement). For the purposes of making determinations or calculations of interest rates, interest amounts, redemption amounts or any other matters requiring determination or calculation in accordance with the Conditions of any Series of Notes (as defined below), the Issuer may appoint a Determination Agent (as defined under Condition 5D.03) for the purposes of such Notes, in accordance with the provisions of the Issue and Paying Agency Agreement, and such Determination Agent shall be specified in the applicable Final Terms. The Issuer has executed and delivered a deed of covenant dated 25 November 2009 (the "**Deed of Covenant**"). Copies of the Issue and Paying Agency Agreement and the Deed of Covenant are, or will be, available for inspection during normal business hours at the specified office of each of the Paying Agents and the Listing Agent. All persons from time to time entitled to the benefit of obligations under any Notes shall be deemed to have notice of, and shall be bound by, all of the provisions of the Issue and Paying Agency Agreement and the Deed of Covenant insofar as they relate to the relevant Notes.

The Notes are issued in series (each, a "**Series**"), and each Series may comprise one or more tranches ("**Tranches**" and each, a "**Tranche**") of Notes. Each Tranche will be the subject of a Final Terms (each, a "**Final Terms**"), a copy of which will be available for inspection during normal business hours at the specified office of the Issue and Paying Agent and/or the Listing Agent (as defined above), as the case may be, and, in the case of a Tranche of Notes listed on the Regulated Market of the Luxembourg Stock Exchange and if the rules of such market so require, shall be obtainable at the specified office of the Paying Agent in Luxembourg. In the case of a Tranche of Notes in relation to which application has not been made for admission for listing on any listing

authority, stock exchange and/or quotation system, copies of the Final Terms will only be available for inspection by a Holder of or, as the case may be, an Accountholder (as defined in the Deed of Covenant) in respect of, such Notes.

References in these Terms and Conditions to "**Notes**" are to Notes of the relevant Series and any references to "**Coupons**" (as defined in Condition 1.05) and "**Receipts**" (as defined in Condition 1.06) are to Coupons and Receipts relating to Notes of the relevant Series.

References in these Terms and Conditions to the "**Final Terms**" are to the Final Terms or Final Terms(s) prepared in relation to the Notes of the relevant Tranche or Series.

In respect of any Notes, references herein to these "**Terms and Conditions**" are to these terms and conditions as modified or (to the extent thereof) replaced by the Final Terms.

1. **Form and Denomination**

1.01 Notes are issued in bearer form ("**Bearer Notes**") and are serially numbered.

1.02 Each Tranche of Notes will be represented upon issue by a temporary global note (a "**Temporary Global Note**") in substantially the form (subject to amendment and completion) scheduled to the Issue and Paying Agency Agreement. On or after the date (the "**Exchange Date**") which is forty days after the completion of the distribution of the Notes of the relevant Tranche and provided certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Note or in such other form as is customarily issued in such circumstances by the relevant clearing systems) has been received, interests in the Temporary Global Note may be exchanged for:

- (i) interests in a permanent global note (a "**Permanent Global Note**") representing the Notes of that Tranche and in substantially the form (subject to amendment and completion) scheduled to the Issue and Paying Agency Agreement; or
- (ii) if so specified in the relevant Final Terms, serially numbered definitive Notes ("**Definitive Notes**").

1.03 If any date on which a payment of interest is due on the Notes of a Tranche occurs whilst any of the Notes of that Tranche are represented by a Temporary Global Note, the related interest payment will be made on the Temporary Global Note only to the extent that certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Note or in such other form as is customarily issued in such circumstances by the relevant clearing systems) has been received by Euroclear Bank S.A./N.V. ("**Euroclear**") or Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**") or any other relevant clearing system. Payments of amounts due in respect of a Permanent Global Note will be made through Euroclear or Clearstream, Luxembourg or any other relevant clearing system without any requirement for certification.

1.04 Interests in a Permanent Global Note will be exchanged by the Issuer in whole (but not in part), at the option of the Holder of such Permanent Global Note, for serially numbered Definitive Notes, (a) if any Note of the relevant Series becomes due and repayable following

an Event of Default (as defined herein); or (b) if either Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of fourteen days (other than by reason of public holidays) or announces an intention to cease business permanently or in fact does so or announces its intention to withdraw its acceptance of the Notes for clearance and settlement through its system or in fact does so; or (c) if so specified in the Final Terms, at the option of the Holder of such Permanent Global Note upon such Holder's request, in all cases at the cost and expense of the Issuer, unless otherwise specified in the relevant Final Terms. In order to exercise the option contained in part (c) of the preceding sentence, the Holder must, not less than forty-five days before the date upon which the delivery of such Definitive Notes is required, deposit the relevant Permanent Global Note with the Issue and Paying Agent at its specified office with the form of exchange notice endorsed thereon duly completed. If default is made by the Issuer in the required delivery of Definitive Notes and such default is continuing at 6.00 p.m. (Luxembourg time) on the thirtieth day after the day on which the relevant notice period expires or, as the case may be, such Permanent Global Note becomes so exchangeable, such Permanent Global Note will become void in accordance with its terms but without prejudice to the rights of the accountholders with Euroclear or Clearstream, Luxembourg or any other relevant clearing system in relation thereto under the Deed of Covenant.

- 1.05 Definitive Notes will, if so specified in the relevant Final Terms, have attached thereto at the time of their initial delivery coupons ("**Coupons**"), presentation of which will be a prerequisite to the payment of interest in certain circumstances specified below. Definitive Notes will also, if so specified in the relevant Final Terms, have attached thereto at the time of their initial delivery, a talon ("**Talon**") for further coupons and the expression "**Coupons**" shall, where the context so requires, include Talons.
- 1.06 Bearer Notes, the principal amount of which is repayable by instalments ("**Instalment Notes**") have attached thereto at the time of their initial delivery, payment receipts ("**Receipts**") in respect of the instalments of principal.

Denomination Notes

- 1.07 Bearer Notes are in the denomination or denominations (each of which denomination is integrally divisible by each smaller denomination) specified in the Final Terms. Bearer Notes of one denomination will not be exchangeable, after their initial delivery, for Bearer Notes of any other denominations. No Notes may be issued under the Programme which have a minimum denomination of less than €1,000 (or equivalent in another currency).

Currency of Notes

- 1.08 Notes may be denominated in any currency, subject to compliance with all applicable legal and/or regulatory and/or central bank requirements.
- 1.09 For the purposes of these Terms and Conditions, references to Notes shall, as the context may require, be deemed to be to Temporary Global Notes, Permanent Global Notes or Definitive Notes.

2. **Title**

- 2.01 Title to Notes and Coupons passes by delivery. References herein to the "**Holders**" of Notes or of Coupons, or "**Noteholders**", are to the bearers of such Notes or such Coupons (as applicable).
- 2.02 The Holder of any Note or Coupon will (except as otherwise required by applicable law or regulatory requirement) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest thereof or therein, any writing thereon, or any theft or loss thereof) and no person shall be liable for so treating such Holder.

3. **Status of the Notes**

Status of Senior Notes

- 3.01 The Senior Notes (being those Notes which specify their status as Senior) and the Receipts and Coupons relating to them constitute direct, unconditional, unsubordinated and (without prejudice to the provisions of Condition 4) unsecured obligations of the Issuer and rank *pari passu* and rateably without any preference among themselves and (unless they qualify by law as subordinated debts under article 92 of Law 22/2003 (*Ley Concursal*) of 9 July 2003 (the "**Insolvency Law**") and subject to any applicable statutory exceptions and without prejudice as aforesaid) rank at least *pari passu* with all other unsecured and unsubordinated indebtedness, present and future. Claims relating to the Senior Notes will be ordinary credits (*creditos ordinarios*) as defined in the Insolvency Law. Ordinary credits rank below credits against the insolvency state (*creditos contra la masa*) and credits with privilege (*creditos privilegiados*). Ordinary credits rank above subordinated credits and the rights of shareholders. Accrued and unpaid interests due in respect of the Senior Notes at the commencement of an insolvency proceeding (*concurso*) of the Issuer will qualify as subordinated credits.

Status of Subordinated Notes

- 3.02 **Status of Dated Subordinated Notes:** The Subordinated Notes (being Notes which specify their status as Subordinated) are direct, unconditional, subordinated and unsecured obligations of the Issuer ranking without preference or priority among themselves together with all other subordinated obligations of the Issuer other than subordinated obligations prescribed by law and subordinated obligations which are expressed to rank junior to the Subordinated Notes.

4. **Negative Pledge**

- (a) So long as any of the Senior Notes, Receipts or Coupons remain outstanding (as defined in the Issue and Paying Agency Agreement) the Issuer will not create or permit to subsist any mortgage, charge, pledge, lien or other form of encumbrance or security interest upon the whole or any part of its present or future assets, undertakings or revenues as security for any Relevant Debt or any guarantee of or indemnity in respect of any Relevant Debt unless, at

the same time or prior thereto, the Issuer's obligations under the Senior Notes, Receipts and Coupons (i) are secured equally and rateably therewith or benefit from a guarantee or indemnity in substantially identical terms thereto, as the case may be, or (ii) have the benefit of such other security, guarantee, indemnity or other arrangement as shall be approved by a resolution of the relevant Syndicate of Holders of the Senior Notes.

- (b) For the purposes of this Condition, "**Relevant Debt**" means any present or future indebtedness in the form of, or represented or evidenced by, bonds, notes, debentures, loan stock or other securities which are for the time being, or are capable of being, quoted, listed or ordinarily dealt or traded in any listing authority, stock exchange, quotation system, over-the-counter or other securities market, having an original maturity of more than one year from its date of issue.
- (c) Nothing in this Condition 4 shall prevent the Issuer from creating or having outstanding any mortgage, lien (other than a lien arising by operation of law), pledge, charge or other security interest (for purposes of this Condition, each a "**Security**") upon, or with respect to, any of its present or future assets or revenues or any part thereof which is created pursuant to any securitisation, asset-backed financing or like arrangement in accordance with normal market practice in Spain (where applicable) and whereby the Relevant Debt (or any guarantee or other obligation in respect of any Relevant Debt) secured by such Security or having the benefit of such secured guarantee or other obligation is limited to the value of such assets or revenues.

5. **Interest**

Notes will be interest-bearing. The Final Terms in relation to each Tranche of Notes shall specify which of Condition 5A, 5B and/or 5C shall be applicable and Condition 5D will be applicable to each Tranche of Notes as specified therein save, in each case, to the extent inconsistent with the relevant Final Terms. In relation to any Tranche of Notes, the relevant Final Terms may specify actual amounts of interest payable rather than, or in addition to, a rate or rates at which interest accrues.

5A **Interest — Fixed Rate**

Notes in relation to which this Condition 5A is specified in the relevant Final Terms as being applicable shall bear interest from their date of issue (as specified in the relevant Final Terms) or from such other date as may be specified in the relevant Final Terms at the rate or rates per annum (or otherwise, as specified in the relevant Final Terms) specified in the relevant Final Terms. Such interest will be payable in arrear on such dates as are specified in the relevant Final Terms and on the date of final maturity thereof. Interest in respect of a period of less than one year will be calculated on such basis as may be specified in the relevant Final Terms.

5B **Interest — Floating Rate Notes and Index-Linked Interest Note Provisions**

5B.01 Notes in relation to which this Condition 5B is specified in the relevant Final Terms as being applicable, shall bear interest at the rate or rates per annum (or otherwise,

as specified in the relevant Final Terms) determined in accordance with this Condition 5B. Condition 5D.01 shall apply to Notes to which this Condition 5B applies.

5B.02 Such Notes shall bear interest from their date of issue (as specified in the relevant Final Terms) or from such other date as may be specified in the relevant Final Terms. Such interest will be payable in arrear on each Interest Payment Date (as defined in Condition 5D.01) and on the maturity date.

5B.03 Screen Rate Determination

If "**Screen Rate Determination**" is specified in the relevant Final Terms it shall also specify which page (the "**Relevant Screen Page**") on the Reuters Screen or any other information vending service shall be applicable. For these purposes, "**Reuters Screen**" means, when used in connection with any designated page and any Floating Rate option, the display page so designated on the Reuters service or any successor display page (or such other services or service as may be nominated as the information vendor for the purpose of displaying comparable rates in succession thereto). The rate of interest (the "**Rate of Interest**") applicable to such Notes for each Interest Period shall be determined by the Determination Agent (as defined in Condition 5D.03) on the following basis:

- (i) the Determination Agent will determine the offered rate for deposits (or, as the case may require, the arithmetic mean (rounded, if necessary, to the nearest ten thousandth of a percentage point, 0.00005 being rounded upwards) of the rates for deposits) in the relevant currency for a period of the duration of the relevant Interest Period (as defined in Condition 5D.01) on the Relevant Screen Page as of 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the second London Banking Day or, in the case of Notes denominated in Euro, on the second TARGET Business Day, before (or, in the case of Notes in another currency if so specified in the relevant Final Terms, on) the first day of the relevant Interest Period (the "**Interest Determination Date**");
- (ii) if, on any Interest Determination Date, no such rate for deposits so appears (or, as the case may be, if fewer than two such rates for deposits so appear) or if the Relevant Screen Page is unavailable, the Determination Agent will request appropriate quotations and will determine the arithmetic mean (rounded as aforesaid) of the rates at which deposits in the relevant currency are offered by four major banks in the London interbank market or, where the basis for calculating the Rate of Interest is EURIBOR, in the Euro-zone interbank market, selected by the Determination Agent, at approximately 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date to prime banks in the London interbank market or, where the basis for calculating the Rate of Interest is EURIBOR, in the Euro-zone interbank market for a period of the

duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time;

- (iii) if, on any Interest Determination Date, only two or three rates are so quoted, the Determination Agent will determine the arithmetic mean (rounded as aforesaid) of the rates so quoted; or
- (iv) if fewer than two rates are so quoted, the Determination Agent will determine the arithmetic mean (rounded as aforesaid) of the rates quoted by four major banks in the Relevant Financial Centre (as defined in Condition 10B.02) (or, in the case of Notes denominated in Euro, in such financial centre or centres as the Determination Agent may select) selected by the Determination Agent, at approximately 11.00 a.m. (Relevant Financial Centre time (or local time at such other financial centre or centres as aforesaid)) on the first day of the relevant Interest Period for loans in the relevant currency to leading European banks for a period of the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time,

and the Rate of Interest applicable to such Notes during each Interest Period will be the sum of the relevant margin (the "**Relevant Margin**") specified in the Final Terms and the rate (or, as the case may be, the arithmetic mean (rounded as aforesaid) of rates) so determined; **provided, however, that**, if the Determination Agent is unable to determine a rate (or, as the case may be, an arithmetic mean (rounded as aforesaid) of rates) in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to such Notes during such Interest Period will be the sum of the Relevant Margin and the rate (or, as the case may be, the arithmetic mean (rounded as aforesaid) of rates) determined in relation to such Notes in respect of the last preceding Interest Period; **provided always that** if there is specified in the relevant Final Terms a minimum interest rate or a maximum interest rate then the Rate of Interest shall in no event be less than or, as the case may be, exceed it. For the purposes of these Terms and Conditions "**London Banking Day**" means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London.

5B.04 ISDA Determination

If ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where "**ISDA Rate**" in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the 2006 Definitions of the International Swaps and Derivatives Association, Inc. (the "**ISDA Definitions**") (as amended and updated as at the date specified in the relevant Final Terms)) that would be determined by the Determination Agent under an interest rate swap transaction if the

Determination Agent were acting as Determination Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Final Terms;
- (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Final Terms; and
- (iii) the relevant Reset Date (as defined in the ISDA Definitions) is either (A) if the relevant Floating Rate Option is based on the London inter-bank offered rate ("**LIBOR**") for a currency, the first day of that Interest Period or (B) in any other case, as specified in the relevant Final Terms.

5B.05 Index-Linked Interest

If the Index-Linked Interest Notes Provisions are specified in the relevant Final Terms as being applicable, the Rate(s) of Interest applicable to the Notes for each Interest Period will be determined in the manner specified in the relevant Final Terms.

5B.06 Determination of Rates

The Determination Agent will, as soon as practicable after determining the Rate of Interest in relation to each Interest Period, calculate the amount of interest (the "**Interest Amount**") payable in respect of the principal amount of the smallest or minimum denomination of such Notes specified in the relevant Final Terms for the relevant Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to such principal amount, multiplying the product by a fraction (day count fraction) the numerator of which is the actual number of days in the Interest Period concerned and the denominator for which is 360 (or, in the case of Notes denominated in Pounds Sterling, 365 or, when all or part of an Interest Period falls in a leap year, 366 for that proportion of the Interest Period so falling) or by such other day count fraction as may be specified in the relevant Final Terms and rounding the resulting figure to the nearest sub-unit of the currency in which such Notes are denominated or, as the case may be, in which such interest is payable (one half of any such sub-unit being rounded upwards).

5C Interest — Other Rates

Notes in relation to which this Condition 5C is specified in the relevant Final Terms as being applicable shall bear interest at the rate or rates calculated on the basis specified in, and be payable in the amounts and in the manner determined in accordance with, the relevant Final Terms.

5D Interest — Supplemental Provision

Interest Payment Date Conventions and other Calculations

5D.01

(a) **Business Day Convention**

The Final Terms in relation to each Series of Notes in relation to which this Condition 5D.01 is specified as being applicable shall specify which of the following conventions shall be applicable, namely:

- (i) the "**FRN Convention**", in which case interest shall be payable in arrear on each date (each an "**Interest Payment Date**") which numerically corresponds to their date of issue or such other date as may be specified in the relevant Final Terms or, as the case may be, the preceding Interest Payment Date in the calendar month which is the number of months specified in the relevant Final Terms after the calendar month in which such date of issue or such other date as aforesaid or, as the case may be, the preceding Interest Payment Date occurred *provided that*:
 - (a) if there is no such numerically corresponding day in the calendar month in which an Interest Payment Date should occur, then the relevant Interest Payment Date will be the last day which is a Business Day (as defined in Condition 10B.02) in that calendar month;
 - (b) if an Interest Payment Date would otherwise fall on a day which is not a Business Day, then the relevant Interest Payment Date will be the first following day which is a Business Day unless that day falls in the next calendar month, in which case it will be the first preceding day which is a Business Day; and
 - (c) if such date of issue or such other date as aforesaid or the preceding Interest Payment Date occurred on the last day in a calendar month which was a Business Day, then all subsequent Interest Payment Dates will be the last day which is a Business Day in the calendar month which is the specified number of months after the calendar month in which such date of issue or such other date as aforesaid or, as the case may be, the preceding Interest Payment Date occurred;
- (ii) the "**Modified Following Business Day Convention**", in which case interest shall be payable in arrear on such dates (each an "**Interest Payment Date**") as are specified in the relevant Final Terms Provided that, if any Interest Payment Date would otherwise fall on a date which is not a Business Day, the relevant Interest Payment Date will

- be the first following day which is a Business Day unless that day falls in the next calendar month, in which case the relevant Interest Payment Date will be the first preceding day which is a Business Day;
- (iii) the "**Following Business Day Convention**" in which case interest shall be payable in arrear on such dates (each an "**Interest Payment Date**") as are specified in the relevant Final Terms Provided that, if any Interest Payment Date would otherwise fall on a date which is not a Business Day, the relevant Interest Payment Date will be the first following day which is a Business Day;
 - (iv) "**No Adjustment**" in which case the relevant date shall not be adjusted in accordance with any Business Day Convention; or
 - (v) such other convention as may be specified in the relevant Final Terms.
- (b) "**Day Count Fraction**" means, in respect of the calculation of an amount for any period of time ("**Calculation Period**"), such day count fraction as may be specified in the Final Terms and:

"**Market Value**" means, with respect to an Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, on a Valuation Date, (i) if more than three Full Quotations are obtained, the arithmetic mean of such Full Quotations, disregarding the Full Quotations having the same highest and lowest values (and, if more than one such Full Quotations have the same highest or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (ii) if exactly three Full Quotations are obtained, the Full Quotation remaining after disregarding the highest and lowest Full Quotations (and, if more than one such Full Quotations have the same highest value or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (iii) if exactly two Full Quotations are obtained, the

arithmetic mean of such Full Quotations; (iv) if fewer than two Full Quotations are obtained and a Weighted Average Quotation is obtained, such Weighted Average Quotation; (v) if Indicative Quotations are specified as applying in the applicable Final Terms and exactly three Indicative Quotations are obtained, the Indicative Quotation remaining after disregarding the highest and lowest Indicative Quotations (and, if more than one such Indicative Quotations have the same highest or lowest value, then one of such highest or lowest Indicative Quotations shall be disregarded); (vi) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) then, subject to paragraph (ii) of the definition of "Quotation" below, an amount as determined by the Calculation Agent on the next Business Day on which at least two Full Quotations or a Weighted Average Quotation or, if applicable, three Indicative Quotations are obtained; and (vii) if the Quotations are deemed to be zero, the Market Value shall be zero.

If the Calculation Agent is unable to obtain two or more such Full Quotations on the same Business Day within three Business Days of a Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the tenth Business Day following the relevant Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from five or more Quotation Dealers, and, if two or more Full Quotations are not available, a Weighted Average Quotation. If two or more such Full Quotations or a Weighted Average Quotation are not available on any such Business Day and Indicative Quotations are specified as applying in the applicable Final Terms, the Calculation Agent shall attempt to obtain three Indicative Quotations from five or more Quotation Dealers.
- (ii) If the Calculation Agent is unable to obtain two or more Full Quotations or a Weighted Average Quotation (or, if Indicative Quotations are specified as applying in the applicable Final Terms, three Indicative Quotations) on the same Business Day on or prior to the tenth Business Day following the Valuation Date, the Quotations shall be deemed to be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such tenth Business Day, or if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or the Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.

- (iii) The Calculation Agent shall determine, based on the then current market practice in the market of the relevant Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, whether such Quotations shall include or exclude accrued but unpaid interest. All Quotations shall be obtained in accordance with this specification or determination.
- (iv) If any Quotation obtained with respect to an Accreting Obligation is expressed as a percentage of the amount payable in respect of such obligation at maturity, such Quotation will instead be expressed as a percentage of the Outstanding Principal Balance for purposes of determining the Final Price.

"Quotation Amount" is deemed to be, with respect to each type or issue of Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, an amount equal to the Outstanding Principal Balance or Due and Payable Amount (or, in either case, its equivalent in the relevant Obligation Currency converted by the Calculation Agent in a commercially reasonable manner by reference to exchange rates in effect at the time that the relevant Quotation is being obtained), as applicable, of such Undeliverable Obligation or Hedge Disruption Obligations, as the case may be.

"Quotation Method" is deemed to be Bid.

"Reference Obligation" is deemed to be each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be.

"Valuation Method" is deemed to be Highest unless fewer than two Full Quotations are obtained or a Weighted Average Quotation applies (or, if applicable, Indicative Quotations), in which case **"Valuation Method"** is deemed to be Market.

Restructuring without regard to whether the Obligation would satisfy such Deliverable Obligation Category or Deliverable Obligation Characteristics after such Restructuring.

"**Specified Number**" means the number of Public Source(s) specified in the applicable Final Terms, or if no number is specified in the applicable Final Terms, two.

- (a) In the event that:
 - (i) a Reference Obligation in respect of such Reference Entity is redeemed in whole; or
 - (ii) in the opinion of the Calculation Agent (A) the aggregate amounts due under any Reference Obligation in respect of such Reference Entity have been materially reduced by redemption or otherwise (other than due to any scheduled redemption, amortisation or prepayments). (B) any Reference Obligation in respect of such Reference Entity is an Underlying Obligation with a Qualifying Guarantee of a Reference Entity and, other than due to the existence or occurrence of a Credit Event, the Qualifying Guarantee is no longer a valid and binding obligation of such Reference Entity enforceable in accordance with its terms, or (C) for any other reason, other than due to the existence or occurrence of a Credit Event, any Reference Obligation in respect of a Reference Entity is no longer an obligation of such Reference Entity,

The Substitute Reference Obligation or Substitute Reference Obligations identified by the Calculation Agent shall, without further action, replace such Reference Obligation or Reference Obligations.
- (c) If more than one specific Reference Obligation is identified as a Reference Obligation in respect of a Reference Entity, in relation to a Series, any of the events set forth in paragraph

- (a) above has occurred with respect to one or more but not all such Reference Obligations, and the Calculation Agent determines that no Substitute Reference Obligation is available for one or more of such Reference Obligations, each such Reference Obligation for which no Substitute Reference Obligation is available shall cease to be a Reference Obligation.

If (i) either Cash Settlement is specified in the applicable Final Terms and the Credit Event Redemption Amount is determined by reference to a Reference Obligation, or Physical Delivery is specified in the applicable Final Terms and the Reference Obligation is the only Deliverable Obligation, and (ii) on or prior to the later of (A) the Scheduled Termination Date, (B) the Grace Period Extension Date or (C) the Repudiation/Moratorium Evaluation Date, a Substitute Reference Obligation has not been identified, the obligations of the Issuer under the Holders shall cease as of the later of (A) the Scheduled Termination Date, (B) the Grace Period Extension Date or (C) the Repudiation/Moratorium Evaluation Date.
- (f) For the purposes of identification of a Reference Obligation, any change in the Reference Obligation's CUSIP or ISIN number or other similar identifier will not, in and of itself, convert such Reference Obligation into a different Obligation.

In calculating the percentages used to determine whether the relevant thresholds set forth above have been met, or which entity qualifies under (a)(vi) above, as applicable, the Calculation Agent shall use, in respect of each applicable Relevant Obligation included in such calculation, the amount of the liability in respect of such Relevant Obligation listed in the Best Available Information and shall, as soon as practicable after such calculation, make such calculation available for inspection by Noteholder(s) at the specified office of the Agent and, for so long as the Holders are listed on the Luxembourg Stock Exchange, at the office of the Paying Agent in Luxembourg.

Where pursuant to paragraph (a)(iii) or (a)(iv) above, more than one Successor has been identified, the Calculation Agent shall adjust such of these Terms and Conditions and/or the applicable Final Terms as it in its sole and absolute discretion acting in a commercially reasonable manner shall determine to be appropriate to reflect that the relevant Reference Entity has been succeeded by more than one Successor and shall determine the effective date of that adjustment. The Calculation Agent shall be deemed to be acting in a commercially reasonable manner if it adjusts such of these Terms and Conditions and/or the applicable Final Terms in such a manner as to reflect the adjustment to and/or division of any credit derivative transaction(s) related to or underlying the Holders under the provisions of the 2003 ISDA Credit Derivatives Definitions.

Upon the Calculation Agent making such adjustment, the Issuer shall give notice as soon as practicable to Holders in accordance with Condition 15, stating the adjustment to these Terms and Conditions and/or the applicable Final Terms and giving brief details of the relevant Succession Event.

The determinations required pursuant to paragraph (a) of this definition of "Successor" shall be made, in the case of an exchange offer, on the basis of the Outstanding Principal Balance of Relevant Obligations tendered in the exchange and

(m) *Provisions taken from the ISDA supplement titled "Additional Provisions — Monoline Insurer as Reference Entity (May 2003)"*

If Condition 6(m) is specified as applicable in the applicable Final Terms, the following provisions will apply:

(a) *Obligation and Deliverable Obligation.*

Paragraph (a) of the definition of "Obligation" in Condition 6(j) and paragraph (a) of the definition of "Deliverable Obligation" in Condition 6(j) are hereby amended by

adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee".

(b) *Interpretation of Provisions.*

In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (B) of the definition of "Deliverable Obligation" in Condition 6(j) will apply, with references to the Qualifying Guarantee, the Underlying Obligation and the Underlying Obligor deemed to include the Qualifying Policy, the Insured Note and the Insured Obligor, respectively, except that:

- (i) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Note in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Note, and the terms "obligation" and "obligor" as used in this Condition 6 in respect of such an Insured Note shall be construed accordingly;
- (ii) references in the definitions of Assignable Loan and Consent Required Loan to "the guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring", respectively;
- (iii) neither the Qualifying Policy nor the Insured Note must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable in the applicable Final Terms;
- (iv) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified in the applicable Final Terms and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Note, the Qualifying Policy must be transferable at least to the same extent as the Insured Note; and
- (v) with respect to an Insured Note in the form of a pass-through certificate or similar funded beneficial interest, the term "Outstanding Principal Balance" shall mean the outstanding Certificate Balance and "maturity", as such term is used in the Maximum Maturity Deliverable Obligation Characteristic, shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.

(c) *Not Contingent.*

An Insured Note will not be regarded as failing to satisfy the Not Contingent Deliverable Obligation Characteristic solely because such Insured Note is subject to provisions limiting recourse in respect of such Insured Note to the proceeds of specified assets (including

proceeds subject to a priority of payments) or reducing the amount of any Note Payments owing under such Insured Note, *provided that* such provisions are not applicable to the Qualifying Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Note Payments that would have been required to be made absent any such limitation or reduction. By specifying that this Condition 6(m) is applicable, no inference should be made as to the interpretation of the "Not Contingent" Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies

(d) *Deliver.*

For the purposes of the definition of "Deliver" in Condition 6(j), "Deliver" with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Note and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian representing an interest in such an Insured Note and the related Qualifying Policy), and "Delivery" and "Delivered" will be construed accordingly.

(e) *Provisions for Determining a Successor.*

The paragraph commencing "For the purposes of this definition of "Successor"" in the definition of "Successor" in Condition 6(j) is hereby amended by adding "or insurer" after "or guarantor".

(f) *Substitute Reference Obligation.*

The first paragraph of the definition of "Substitute Reference Obligation" and paragraph (b) thereof in Condition 6(j) is hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee". For purposes of sub-paragraph (a)(ii)(B) the definition of "Substitute Reference Obligation" references to "the Qualifying Guarantee" and the "Underlying Obligation" shall be deemed to include "the Qualifying Policy" and "the Insured Note", respectively.

(g) *Other Provisions.*

For purposes of sub-paragraph (a)(ii) of the definition of "Deliverable Obligation" and the definitions of "Credit Event" and "Deliver" in Condition 6(j) references to "the Underlying Obligation" and "the Underlying Obligor" shall be deemed to include "Insured Notes" and the "Insured Obligor", respectively.

(h) *Additional Definitions.*

"**Qualifying Policy**" means a financial guaranty insurance policy or similar financial guarantee pursuant to which a Reference Entity irrevocably guarantees or insures all Note Payments of an instrument that constitutes Borrowed Money (modified as set forth in this Condition 6(m)) (the "**Insured Note**") for which another party (including a special purpose entity or trust) is the obligor (the "**Insured Obligor**"). Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the

Reference Entity can be discharged or reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Note Payments). The benefit of a Qualifying Policy must be capable of being Delivered together with the Delivery of the Insured Note.

"Note Payments" means (A) in the case of any Insured Note that is in the form of a pass-through certificate or similar funded beneficial interest, (x) the specified periodic distributions in respect of interest or other return on the Certificate Balance on or prior to the ultimate distribution of the Certificate Balance and (y) the ultimate distribution of the Certificate Balance on or prior to a specified date; and (B) in the case of any other Insured Note, the scheduled payments of principal and interest, in the case of both (A) and (B) (1) determined without regard to limited recourse or reduction provisions of the type described in Condition 6(m)(c) above and (2) excluding sums in respect of default interest, indemnities, tax gross-ups, make-whole amounts, early redemption premiums and other similar amounts (whether or not guaranteed or insured by the Qualifying Policy).

"Certificate Balance" means, in the case of an Insured Note that is in the form of a pass-through certificate or similar funded beneficial interest, the unit principal balance, certificate balance or similar measure of unreimbursed principal investment.

(n) *Supplement to provisions relating to Qualifying Guarantee and Underlying Obligation*

(a) If this Condition 6(n) is specified as applicable in the applicable Final Terms, Condition 6(j) shall be amended by:

(i) the deletion of the definition of "Downstream Affiliate" and the substitution of the following therefor:

The benefit of a Qualifying Guarantee must be capable of being Delivered together with the Delivery of the Underlying Obligation"; and

- (b) Condition 6(l) shall be amended by the insertion of the following at the end of the first paragraph thereof:

"provided that any Obligation that is a Bond shall be deemed to satisfy the requirement in (ii) of the definition of "Multiple Holder Obligation" below".

- (o) *Calculation Agent and Calculation Agent Notices*

Whenever the Calculation Agent is required to act or exercise judgment, it will do so in good faith and in a commercially reasonable manner. The Calculation Agent shall, as soon as practicable after making any determination pursuant to this Condition 6, notify the Issuer and the Holders of such determination. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Holders, including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and neither of the Calculation Agent nor the Issuer

For purposes of the two preceding sentences, a notice given by telephone will be deemed to have been delivered at the time the telephone conversation takes place. If the notice is delivered by telephone, a written confirmation will be executed and delivered confirming the substance of that notice within one Calculation Agent City Business Day of that notice. Failure to provide that written confirmation will not affect the effectiveness of that telephonic notice.

Early Redemption for Taxation Reasons

7.02 If, in relation to any Series of Notes, (i) as a result of any change in the laws or regulations of Spain or in either case of any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the interpretation or administration of any such laws or regulations which becomes effective on or after the date of issue of such Notes or any earlier date specified in the relevant Final Terms, the Issuer would be required to pay additional amounts as provided in Condition 9, and (ii) such circumstances are evidenced by the delivery by the Issuer to the Issue and Paying Agent of a certificate signed by two directors of the Issuer stating that the said circumstances prevail and describing the facts leading thereto, an opinion of independent legal advisers of recognised standing to the effect that such circumstances prevail and, in the case of Subordinated Notes qualifying as regulatory capital (*recursos propios*), a copy of the Banco de España consent to the

redemption, the Issuer may, at its option and having given no less than thirty nor more than sixty days' notice (ending, in the case of Notes which bear interest at a floating rate, on a day upon which interest is payable) to the Holders of the Notes in accordance with Condition 15 (which notice shall be irrevocable), redeem all (but not some only) of the outstanding Notes (in the case of Subordinated Notes qualifying as regulatory capital (*recursos propios*) in accordance with the requirements of Banco de España) comprising the relevant Series at their early tax redemption amount (the "**Early Redemption Amount (Tax)**") (which shall be their principal amount or at such other Early Redemption Amount (Tax) as may be specified in or determined in accordance with the relevant Final Terms) less, in the case of any Instalment Note, the aggregate amount of all instalments that shall have become due and payable in respect of such Note prior to the date fixed for redemption under any other Condition (which amount, if and to the extent not then paid, remains due and payable), together with accrued interest (if any) thereon **provided, however, that** (i) no such notice of redemption may be given earlier than 90 days (or, in the case of Notes which bear interest at a floating rate a number of days which is equal to the aggregate of the number of days falling within the then current interest period applicable to the Notes plus 60 days) prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due, and (ii) in the case of Subordinated Notes qualifying as regulatory capital (*recursos propios*), that the Banco de España consents to redemption of the Subordinated Notes.

In the case of Subordinated Notes qualifying as regulatory capital (*recursos propios*), redemption for taxation reasons is subject to the prior consent of Banco de España and may not take place within a period of five years (or, in the case of Short Term Subordinated Notes, two years) from their date of issue or as otherwise permitted by Banco de España.

Optional Early Redemption (Call)

7.03 If this Condition 7.03 is specified in the relevant Final Terms as being applicable, then the Issuer may, upon the expiry of the appropriate notice and subject to such conditions as may be specified in the relevant Final Terms (and subject, in the case of Subordinated Notes qualifying as regulatory capital (*recursos propios*), in accordance with the requirements of Banco de España, to the prior consent of Banco de España) redeem all (but not, unless and to the extent that the relevant Final Terms specifies otherwise, some only) of the Notes of the relevant Series at their call early redemption amount (the "**Early Redemption Amount (Call)**") (which shall be their principal amount or such other Early Redemption Amount (Call) as may be specified in or determined in accordance with the relevant Final Terms) less, in the case of any Instalment Note, the aggregate amount of all instalments that shall have become due and payable under any other Condition (which amount, if and to the extent not then paid, remains due and payable), together with accrued interest (if any) thereon.

In the case of Subordinated Notes qualifying as regulatory capital (*recursos propios*), redemption at the option of the Issuer is subject to the prior consent of Banco de España and may not take place within a period of five years (or, in the case of Short Term Subordinated Notes, two years) from their date of issue or as otherwise permitted by Banco de España.

7.04 The appropriate notice referred to in Condition 7.03 is a notice given by the Issuer to the Issue and Paying Agent and the Holders of the Notes of the relevant Series, which notice shall be signed by two duly authorised officers of the Issuer and shall specify:

- the Series of Notes subject to redemption;
- whether such Series is to be redeemed in whole or in part only and, if in part only, the aggregate principal amount of the Notes of the relevant Series which are to be redeemed;
- the due date for such redemption which shall be a Business Day, which shall be not less than thirty days (or such lesser period as may be specified in the relevant Final Terms) after the date on which such notice is validly given and which is, in the case of Notes which bear interest at a floating rate, a date upon which interest is payable; and
- the Early Redemption Amount (Call) at which such Notes are to be redeemed.

Any such notice shall be irrevocable, and the delivery thereof shall oblige the Issuer to make the redemption therein specified.

Partial Redemption

7.05 If the Notes of a Series are to be redeemed in part only on any date in accordance with Condition 7.03, the Notes to be redeemed shall be drawn by lot, with the intervention of the relevant Commissioner and before a Notary Public who will take the minutes, in such European city as the Issue and Paying Agent may specify, or identified in such other manner or in such other place as the Issue and Paying Agent may approve and deem appropriate and fair subject always to compliance with all applicable laws and the requirements of any listing authority, stock exchange and/or quotation system on which the relevant Notes may be listed and/or quoted.

In connection with an exercise of the option contained in Condition 7.03 (*Optional Early Redemption (Call)*) in relation to some only of the Notes, the Permanent Global Note may be redeemed in part in the principal amount specified by the Issuer in accordance with the Conditions and the Notes to be redeemed will not be selected as provided in the Conditions but in accordance with the rules and procedures of Euroclear and Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in principal amount, at their discretion).

In the case of Subordinated Notes qualifying as regulatory capital (*recursos propios*) partial redemption is subject to the prior consent of Banco de España and may not take place within a period of five years (or, in the case of Short Term Subordinated Notes, two years) from which their date of issue or as otherwise permitted by Banco de España.

Optional Early Redemption (Put)

7.06 If this Condition 7.06 is specified in the relevant Final Terms as being applicable to the Senior Notes, then the Issuer shall, upon the exercise of the relevant option by the Holder of any Note of the relevant Series, redeem such Note on the date or the dates specified in the relevant Final Terms at its put early redemption amount (the "**Early Redemption Amount (Put)**") (which shall be its principal amount or such other Early Redemption Amount (Put) as may be specified in or determined in accordance with the relevant Final Terms) less, in the case of any Instalment Note, the aggregate amount of all instalments that shall have become due and payable in respect of such Note under any other Condition prior to the date fixed for redemption (which amount, if and to the extent not then paid, remains due and payable), together with accrued interest (if any) thereon. In order to exercise such option, the Holder must, not less than sixty days before the date so specified (or such other period as may be specified in the relevant Final Terms), deposit the relevant Note (together, in the case of a Definitive Note, with any unmatured Coupons appertaining thereto) with any Paying Agent together with a duly completed redemption notice in the form which is available from the specified office of any of the Paying Agents. No Note so deposited and option exercised may be withdrawn (except as provided in the Issue and Paying Agency Agreement).

The Early Redemption (Put) shall not apply in the case of Subordinated Notes and holders of Subordinated Notes may not redeem such Subordinated Notes prior to the Maturity Date.

The Holder of a Note may not exercise such option in respect of any Note which is the subject of an exercise by the Issuer of its option to redeem such Note under either Condition 7.02 or 7.03.

Purchase of Notes

7.07 The Issuer and any of its respective subsidiaries may at any time purchase Notes in the open market or otherwise and at any price *provided that*, in the case of Definitive Notes, all unmatured Coupons appertaining thereto are purchased therewith.

In the case of Subordinated Notes which qualify as regulatory capital (*recursos propios*) the purchase of the Notes by the Issuer or any of its subsidiaries shall take place in accordance with the requirements of Spanish law and Banco de España.

Cancellation of Redeemed and Purchased Notes

7.08 All unmatured Notes and Coupons and unexchanged Talons redeemed or purchased otherwise than in the ordinary course of business of dealing in securities or as a nominee in accordance with this Condition 7 will be cancelled forthwith and may not be reissued or resold.

Further Provisions applicable to Redemption Amount and Instalment Amounts

an Event of Default unless the Indebtedness for Borrowed Money or other liability relative thereto either alone or when aggregated with other Indebtedness for Borrowed Money and/or other liabilities relative to all (if any) other such events which shall have occurred shall amount to at least U.S.\$50,000,000 (or its equivalent in any other currency on the basis of the middle spot rate for the relevant currency against the U.S. Dollar as quoted by any leading bank on the day on which this paragraph operates); or

- (iv) *Winding up*: if any order is made by any competent court or resolution passed for the winding up or dissolution of the Issuer (except in any such case for the purpose of reconstruction or a merger or amalgamation which has been previously approved by a resolution of the relevant Syndicate of Holders of the Notes or a merger with another financial institution in this case even without being approved by a resolution of the relevant Syndicate of Holders of the Notes, *provided that* any entity that survives or is created as a result of such merger is given a rating by an internationally recognised rating agency at least equal to the then current rating of the Issuer at the time of such merger); or

9. **Taxation**

9.01 All amounts payable (whether in respect of principal, redemption amount, interest or otherwise) in respect of the Notes, the Receipts and the Coupons by the Issuer will be made free and clear of, and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by, within or on behalf of Spain or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event, the Issuer shall pay such additional amounts as will result in receipt by the Holder of any Note, Receipt or Coupon of such amounts as would have been received by them had no such withholding or deduction been required.

9.02 The Issuer shall not be required to pay any additional amounts as referred to in Condition 9.01 in relation to any payment in respect of any Note, Receipt or Coupon:

- (i) to, or to a third party on behalf of, a Holder of a Note, Receipt or Coupon who is liable for such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with Spain other than the mere holding of such Note, Receipt or Coupon; or
- (ii) to, or to a third party on behalf of, a Holder in respect of whom the Issuer does not receive such information (which may include a tax residence certificate) concerning such Holder's identity and tax residence as may be required in order to comply with the applicable Spanish tax reporting obligations; or

- (iv) where the withholding or deduction referred to in Condition 9.01 is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2004/48/EC or any law implementing or complying with, or introduced in order to conform to, this Directive; or
- (v) presented for payment by or on behalf of a Holder of a Note, Receipt or Coupon who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union; or

9.03 For the purposes of these Terms and Conditions, the "**Relevant Date**" means, in respect of any payment, the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Issue and Paying Agent on or prior to such due date, it means the first date on which, the full amount of such moneys having been so received and being available for payment to Holders of Notes, Receipts and Coupons, notice to that effect shall have been duly given to the Holders of the Notes of the relevant Series in accordance with Condition 15.

9.04 Unless the context otherwise requires, any reference in these Terms and Conditions to "**principal**" shall include any premium payable in respect of a Note, any Instalment Amount or Redemption Amount and any other amounts in the nature of principal payable pursuant to

these Terms and Conditions and "**interest**" shall include all amounts payable pursuant to Condition 5 and any other amounts in the nature of interest payable to these Terms and Conditions.

10. **Payments**

10A **Payments**

10A.01 Payment of amounts (other than interest) due in respect of Bearer Notes will be made against presentation and (save in the case of a partial redemption which includes, in the case of an Instalment Note, payment of any instalment other than the final instalment) surrender of the relevant Bearer Notes at the specified office of any of the Paying Agents.

10A.02 Payment of amounts in respect of interest on Bearer Notes will be made:

- (i) in the case of a Temporary Global Note or Permanent Global Note, against presentation of the relevant Temporary Global Note or Permanent Global Note at the specified office of any of the Paying Agents outside (unless Condition 10A.03 applies) the United States and, in the case of a Temporary Global Note, upon due certification as required therein;
- (ii) in the case of Definitive Notes without Coupons attached thereto at the time of their initial delivery, against presentation of the relevant Definitive Notes at the specified office of any of the Paying Agents outside (unless Condition 10A.03 applies) the United States; and
- (iii) in the case of Definitive Notes delivered with Coupons attached thereto at the time of their initial delivery, against surrender of the relevant Coupons or, in the case of interest due otherwise than on a scheduled date for the payment of interest, against presentation of the relevant Definitive Notes, in either case at the specified office of any of the Paying Agents outside (unless Condition 10A.04 applies) the United States.

10A.03 Payments of amounts due in respect of interest on the Bearer Notes and exchanges of Talons for Coupon sheets in accordance with Condition 10A.03 will not be made at the specified office of any Paying Agent in the United States (as defined in the United States Internal Revenue Code and Regulations thereunder) unless (a) payment in full of amounts due in respect of interest on such Notes when due or, as the case may be, the exchange of Talons at all the specified offices of the Paying Agents outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions, and (b) such payment or exchange is permitted by applicable United States law. If parts (a) and (b) of the previous sentence apply, the Issuer shall forthwith appoint a further Paying Agent with a specified office in New York City.

10A.04 If the due date for payment of any amount due in respect of any Bearer Note is not both a Relevant Financial Centre Day (as defined in Condition 10B.02) and a local banking day (as defined in Condition 10B.02), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day (or as otherwise specified in the relevant Final Terms) and, thereafter will be entitled to receive payment by cheque on any local banking day, and will be entitled to payment by transfer to a designated account on any day which is a local banking day, a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such delay or adjustment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5D.04.

10A.05 Each Definitive Note initially delivered with Coupons attached thereto should be presented and, save in the case of partial payment which includes, in the case of an Instalment Note, payment of any instalment other than the final instalment, surrendered for final redemption together with all unmatured Coupons and Talons appertaining thereto, failing which:

- (i) in the case of Definitive Notes which bear interest at a fixed rate or rates, the amount of any missing unmatured Coupons (or, in the case of a payment not being made in full, that portion of the amount of such missing Coupon which the redemption amount paid bears to the total redemption amount due) (excluding, for this purpose, Talons) will be deducted from the amount otherwise payable on such final redemption, the amount so deducted being payable against surrender of the relevant Coupon at the specified office of any of the Paying Agents at any time within ten years of the Relevant Date applicable to payment of such final redemption amount;
- (ii) in the case of Definitive Notes which bear interest at, or at a margin above or below, a floating rate, all unmatured Coupons (excluding, for this purpose, but without prejudice to paragraph (iii) below, Talons) relating to such Definitive Notes (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them; and
- (iii) in the case of Definitive Notes initially delivered with Talons attached thereto, all unmatured Talons (whether or not surrendered therewith) shall become void and no exchange for Coupons shall be made thereafter in respect of them.

The provisions of paragraph (i) of this Condition 10A.05 notwithstanding, if any Definitive Notes which bear interest at a fixed rate or rates should be issued with a maturity date and a fixed rate or fixed rates such that, on the presentation for payment of any such Definitive Note without any unmatured Coupons attached thereto or surrendered therewith, the amount required by paragraph (i) to be

deducted would be greater than the amount otherwise due for payment, then, upon the due date for redemption of any such Definitive Note, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the provisions of paragraph (i) in respect of such Coupons as have not so become void, the amount required by paragraph (i) to be deducted would not be greater than the amount otherwise due for payment. Where the application of the foregoing sentence requires some but not all of the unmatured Coupons relating to a Definitive Note to become void, the relevant Paying Agent shall determine which unmatured Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

10A.06 In relation to Definitive Notes initially delivered with Talons attached thereto, on or after the due date for the payment of interest on which the final Coupon comprised in any Coupon sheet matures, the Talon comprised in the Coupon sheet may be surrendered at the specified office of any Paying Agent outside (unless Condition 10A.03 applies) the United States in exchange for a further Coupon sheet (including any appropriate further Talon), subject to the provisions of Condition 11 below. Each Talon shall, for the purpose of these Conditions, be deemed to mature on the due date for the payment of interest on which the final Coupon comprised in the relative Coupon sheet matures.

10A.07 For the purposes of these Terms and Conditions, the "United States" means the United States of America (including the States thereof and the District of Columbia) and its possessions (including Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, Wake Island and Northern Mariana Islands).

15. Notices

15.01 Notices to Holders of Notes will, save where another means of effective communication has been specified herein or in the relevant Final Terms, be deemed to be validly given if published in an English language daily newspaper in London (which is expected to be the *Financial Times*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu) if the Notes are listed on the Luxembourg Stock Exchange (so long as such Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require), in a leading newspaper having general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) or, in either case if such publication is not practicable, if published in a leading English language daily newspaper having general circulation in Europe or, in the case of a Temporary Global Note or Permanent Global Note, if delivered to Euroclear and Clearstream, Luxembourg and any other relevant clearing system for communication by them to the persons shown in their respective records as having interests therein *provided that*, in the case of Notes admitted to listing on any listing authority, stock exchange and/or quotation system, the requirements of such listing authority, stock exchange and/or quotation system, have been complied with. Any notice so given will be deemed to have been validly given on the date of such publication (or, if published more than once, on the first date on which publication is made) or, as the case may be, on the fourth day after the date of such delivery to Euroclear and Clearstream, Luxembourg and any other relevant clearing system.

Holders of Coupons will be deemed for all purposes to have notice of the contents of any notice given to Holders of Bearer Notes in accordance with this Condition.

To Commissioners

15.02 Copies of any notice given to any Holders of the Notes will be also given to the Commissioner of the Syndicate of Holders of the Notes of the relevant Series.

16. Further Issues

The Issuer may, from time to time without the consent of the Holders of any Notes or Coupons create and issue further instruments, bonds or debentures having the same terms and conditions as such Notes in all respects (or in all respects except for the first payment of interest, if any, on them and/or the denomination thereof) so as to form a single series with the Notes of any particular Series.

17. Currency Indemnity

The currency in which the Notes are denominated or, if different, payable, as specified in the relevant Final Terms (the "**Contractual Currency**") is the sole currency of account and payment for all sums payable by the Issuer in respect of the Notes, including damages. Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction or otherwise) by any Holder of a Note or Coupon in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the Contractual Currency which such Holder is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that amount is less than the amount in the Contractual Currency expressed to be due to any Holder of a Note or Coupon in respect of such Note or Coupon the Issuer shall indemnify such Holder against any loss sustained by such Holder as a result. In any event, the Issuer shall indemnify each such Holder against any cost of making such purchase which is reasonably incurred. These indemnities constitute a separate and independent obligation from the Issuer's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of a Note or Coupon and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due in respect of the Notes or any judgment or order. Any such loss aforesaid shall be deemed to constitute a loss suffered by the relevant Holder of a Note or Coupon and no proof or evidence of any actual loss will be required by the Issuer.

18. Waiver and Remedies

No failure to exercise, and no delay in exercising, on the part of the Holder of any Note, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right. Rights hereunder shall be in addition to all other rights provided by law. No notice or demand given in any case shall constitute a waiver of rights to take other action in the same, similar or other instances without such notice or demand.

19. **Law and Jurisdiction**

- 19.01 The issue of the Notes, including their legal nature (*obligaciones*), the status of the Notes and the subordination provisions in relation to the Notes, the capacity of the Issuer, the relevant corporate resolutions, the appointment of the Commissioner and the constitution of the Syndicates of Holders of the Notes are governed by Spanish law. The terms and conditions of the Notes, the Issue and Paying Agency Agreement and the Deed of Covenant and all non-contractual obligations arising out of or in connection with the terms and conditions of the Notes, the Issue and Paying Agency Agreement and the Deed of Covenant, are governed by, and shall be construed in accordance with, English law.
- 19.02 The courts of England have exclusive jurisdiction to settle any dispute (a "**Dispute**") arising from or in connection with the Notes including a dispute regarding the existence, validity or termination of the Notes or any non-contractual obligation arising out of or in connection with the Notes) or the consequences of their nullity.
- 19.03 The Issuer irrevocably waives any objection which they might now or hereafter have to the courts of England being nominated as the forum to hear and determine any proceedings and to settle any Disputes and agrees not to claim that any such court is not a convenient or appropriate forum.
- 19.04 Without prejudice to any other mode of service allowed under any relevant law, the Issuer irrevocably (a) appoints Santander Consumer (UK) plc at 3 Princess Way, Redhill, Surrey, RH1 1SR as its agent for service of process in relation to any Proceedings or, if different, at any other address of the Issuer in Great Britain at which service of process may from time to time be served on it and (b) agrees that failure by an agent for service of process to notify the Issuer of the process will not invalidate the Proceedings concerned. If the appointment of the person mentioned in this Condition 19.04 ceases to be effective, the Issuer shall forthwith appoint a further person in England to accept service of process on its behalf in England and notify the name and address of such person to the Issue and Paying Agent and, failing such appointment within fifteen days, any Holder of Notes shall be entitled to appoint such a person by written notice addressed to the Issuer and delivered to the Issuer or to the specified office of the Issue and Paying Agent. Nothing contained herein shall affect the right of any Holder of Notes to serve process in any other manner permitted by law. This condition applies to proceedings in England and to proceedings elsewhere.
- 19.05 The submission to the exclusive jurisdiction of the courts of England is for the benefit of the Holders of the Notes only and therefore shall not (and shall not be construed so as to) limit the right of the Holders of the Notes or any of them to take proceedings in any other court of competent jurisdiction nor shall the taking of proceedings in any one or more jurisdictions preclude the taking of proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by applicable law.

20. **Rights of Third Parties**

No person shall have any right to enforce any term or condition of any Series of Notes under the Contracts (Rights of Third Parties) Act 1999.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

Clearing System Accountholders

Each Global Note will be in bearer form. Consequently, in relation to any Tranche of Notes represented by a Global Note, references in the Terms and Conditions of the Notes to "Noteholder" are references to the bearer of the relevant Global Note which, for so long as the Global Note is held by a depositary or a common depositary, in the case of a CGN, or a common safekeeper, in the case of an NGN for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, will be that depositary or common depositary or, as the case may be, common safekeeper.

Each of the persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Global Note (each an "Accountholder") must look solely to Euroclear and/or Clearstream, Luxembourg and/or such other relevant clearing system (as the case may be) for such Accountholder's share of each payment made by the Issuer to the bearer of such Global Note and in relation to all other rights arising under the Global Note. The extent to which, and the manner in which, Accountholders may exercise any rights arising under the Global Note will be determined by the respective rules and procedures of Euroclear and Clearstream, Luxembourg and any other relevant clearing system from time to time. For so long as the relevant Notes are represented by the Global Note, Accountholders shall have no claim directly against the Issuer in respect of payments due under the Notes and such obligations of the Issuer will be discharged by payment to the bearer of the Global Note.

Exchange of Temporary Global Notes

Whenever any interest in a Temporary Global Note is to be exchanged for an interest in a Permanent Global Note, the Issuer shall procure:

- (a) in the case of first exchange, the prompt delivery (free of charge to the bearer) of such Permanent Global Note, duly authenticated and, in the case of an NGN, effectuated, to the bearer of the Temporary Global Note; or
- (b) in the case of any subsequent exchange, an increase in the principal amount of such Permanent Global Note in accordance with its terms,

in each case in an aggregate principal amount equal to the aggregate of the principal amounts specified in the certificates issued by Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system and received by the Fiscal Agent against presentation and (in the case of final exchange) surrender of the Temporary Global Note to or to the order of the Fiscal Agent within 7 days of the bearer requesting such exchange.

Whenever a Temporary Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Temporary Global Note to the bearer of the Temporary Global Note against the surrender of the Temporary Global Note to or to the order of the Issue and Paying Agent within 30 days of the bearer requesting such exchange.

If:

- (a) a Permanent Global Note has not been delivered or the principal amount thereof increased by 5.00 p.m. (London time) on the seventh day after the bearer of a Temporary Global Note has requested exchange of an interest in the Temporary Global Note for an interest in a Permanent Global Note; or
- (b) Definitive Notes have not been delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer of a Temporary Global Note has requested exchange of the Temporary Global Note for Definitive Notes; or
- (c) a Temporary Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of a Temporary Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer of the Temporary Global Note in accordance with the terms of the Temporary Global Note on the due date for payment,

then the Temporary Global Note (including the obligation to deliver a Permanent Global Note or increase the principal amount thereof or deliver Definitive Notes, as the case may be) will become void at 5.00 p.m. (London time) on such seventh day (in the case of (a) above) or at 5.00 p.m. (London time) on such thirtieth day (in the case of (b) above) or at 5.00 p.m. (London time) on such due date (in the case of (c) above) and the bearer of the Temporary Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Temporary Global Note or others may have under a deed of covenant dated 25 November 2009 (the "**Deed of Covenant**") executed by the Issuer). Under the Deed of Covenant, persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Temporary Global Note will acquire directly against the Issuer all those rights to which they would have been entitled if, immediately before the Temporary Global Note became void, they had been the holders of Definitive Notes in an aggregate principal amount equal to the principal amount of Notes they were shown as holding in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

Exchange of Permanent Global Notes

Whenever a Permanent Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Permanent Global Note to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Issue and Paying Agent within 30 days of the bearer requesting such exchange.

If:

- (a) Definitive Notes have not been delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer of a Permanent Global Note has duly requested exchange of the Permanent Global Note for Definitive Notes; or

- (b) a Permanent Global Note (or any part of it) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Notes has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer of the Permanent Global Note in accordance with the terms of the Permanent Global Note on the due date for payment,

then the Permanent Global Note (including the obligation to deliver Definitive Notes) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the bearer of the Permanent Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Permanent Global Note or others may have under the Deed of Covenant. Under the Deed of Covenant, persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Permanent Global Note will acquire directly against the Issuer all those rights to which they would have been entitled if, immediately before the Permanent Global Note became void, they had been the holders of Definitive Notes in an aggregate principal amount equal to the principal amount of Notes they were shown as holding in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

Conditions applicable to Global Notes

Each Global Note will contain provisions which modify the Terms and Conditions of the Notes as they apply to the Global Note. The following is a summary of certain of those provisions:

Payments: All payments in respect of the Global Note will be made against presentation and (in the case of payment of principal in full with all interest accrued thereon) surrender of the Global Note to or to the order of any Paying Agent and will be effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Notes. On each occasion on which a payment of principal or interest is made in respect of the Global Note, the Issuer shall procure that in respect of a CGN the payment is noted in a schedule thereto and in respect of an NGN the payment is entered pro rata in the records of Euroclear and Clearstream, Luxembourg.

Exercise of put option: In order to exercise the option contained in Condition 7.06 (*Optional Early Redemption (Put)*) the bearer of the Permanent Global Note must, within the period specified in the Conditions for the deposit of the relevant Note and put notice, give written notice of such exercise to the Issuer and Paying Agent specifying the principal amount of Notes in respect of which such option is being exercised. Any such notice will be irrevocable and may not be withdrawn.

Partial exercise of call option: In connection with an exercise of the option contained in Condition 7.03 (*Optional Early Redemption (Call)*) in relation to some only of the Notes, the Permanent Global Note may be redeemed in part in the principal amount specified by the Issuer in accordance with the Conditions and the Notes to be redeemed will not be selected as provided in the Conditions but in accordance with the rules and procedures of Euroclear and Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in principal amount, at their discretion).

Notices: Notwithstanding Condition 15 (*Notices*), while all the Notes are represented by a Permanent Global Note (or by a Permanent Global Note and/or a Temporary Global Note) and the Permanent Global Note is (or the Permanent Global Note and/or the Temporary Global Note are) deposited with a depository or a common depository for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system or a common safekeeper, notices to Noteholders may be given by delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system and, in any case, such notices shall be deemed to have been given to the Noteholders in accordance with Condition 15 (*Notices*) on the date of delivery to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, except that, for so long as such Notes are admitted to trading on the Luxembourg Stock Exchange and it is a requirement of applicable law or regulations, such notices shall be published in a leading newspaper having general circulation in Luxembourg (which is expected to be *Luxemburger Wort*) or published on the website of the Luxembourg Stock Exchange (www.bourse.lu).

Business Overview

Principal Activities of the Issuer

The Issuer's object is to receive funds from the public in the form of deposits, loans, repos or other similar transactions entailing the obligation to refund them, and to use these funds for its own account to grant loans and credits or to perform similar transactions. In addition, the Issuer is the holding company of a finance group (the "**Consumer Group**") and handles investments into its subsidiaries.

The Issuer is part of the Santander Group (as described above), the parent entity of which (Banco Santander, S.A.) had a 100% direct and indirect ownership interest in the share capital of the Issuer at 31 December 2008. Banco Santander, S.A. has its registered office at Paseo de Pereda 9-12, Santander. In addition, the consolidated financial statements for 2008 of the Santander Group were approved by the shareholders meeting held on 19 June 2009 and were filed at the Santander Mercantile Registry.

The Consumer Group has 289 branches distributed throughout Europe (91 of which are located in Spain) and engages in finance leasing, financing of third party purchases of consumer goods of any kind, full-service leasing ("renting") and other activities. Additionally, since December 2002, the Issuer has been the head of a European corporate group, consisting mainly of financial institutions, which engages in commercial banking, consumer finance, operating and finance leasing, full-service leasing and other activities in Germany, Italy, the Czech Republic, Hungary, Austria, Poland, the Netherlands, Norway, Sweden, Russia and the United Kingdom.

The Issuer has recently undergone a period of geographic expansion which is partly due to management's acquisition strategy and partly due to organic growth. The Issuer's activity remains focused on Europe, with consumer finance franchises in Spain, Germany, Poland and Norway and a presence in Italy and Portugal. Management believes that the Issuer is well placed to take advantage of opportunities elsewhere in the growing and highly fragmented European consumer finance market.

The Consumer Group's activity is primarily concerned with the automobile financing, personal loan and credit card businesses. However, it also works at attracting customer funds.

The Issuer's strategy consists of establishing agreements with subscription agents (mainly dealers) in order to deliver finance for automobiles and other consumer goods. The Issuer also seeks to generate loyalty affiliations with final customers by directly offering them other products such as credit cards. The Issuer's primary business, however, continues to be the financing of new and used cars.

Total funds managed by the Consumer Group amounted to €56,946 million in 2008 (excluding Santander Consumer USA Inc.), as compared with €49,071 million in 2007, which represents an increase of 16%. On 30 June 2009 this figure amounted to €61,425 million.

Approximately 85% of the Consumer Group's assets related to loans and receivables with customers.

Approximately 86% of the Consumer Group's loans and receivables with customers loan portfolio at 31 December 2008 was concentrated in Spain and Portugal, Germany and Italy.

Loans and advances to customers amounted to €48,426 million in 2008, 13% more than in 2007 and to €51,472 million in the first half of 2009, an increase of almost 6.3 per cent since December 2008.

The managed assets portfolio, was €51,825 million (+14.7%), partly due to the assets acquired from The Royal Bank of Scotland plc (growth equivalent to 5 percentage points). On 30 June 2009 it totalled €55,927 million.

The Consumer Group's consolidated net profit was €377 million in 2008 (with an attributable profit of €378 million), as compared with €512 million the previous year, a decrease of 26.4%. In the first half of 2009 the net profit was €31.54 million (with an attributable profit of €30.21 million), as compared to €250.71 million for the same period in 2008. There are three basic drivers behind these results:

- Solid income was partly boosted by the inclusions of the Royal Bank of Scotland and GE Money acquisitions in the Consumer Group. This performance was underpinned by the product repricing begun in 2008 (which has started to be reflected in finance income);
- Costs rose by 37% year-on-year, as a result of the inclusion of the new units. Excluding the latter, costs rose by 0.5%; and
- Credit loss provisions rose by 136.6% (56% on a like-for-like basis), which is a reflection of the credit quality of the industry as a whole.

In terms of geographic areas, Germany was the main contributor to attributable profits making a contribution of 65.8%, followed by Scandinavia (13.3%), Spain and Portugal (18.6%), Italy (6.3%), and other areas (-4.0%).

The Consumer Group's income statement shows gross income up by 15.9% in comparison to the previous year due to the larger volumes administered and the emphasis on price management in view of higher interest rates, and in particular to fees and commissions (+37.19%) as a result of greater market penetration and better product-marketing conditions.

Costs rose by 14.9% in comparison to the previous year following the addition of the new units and the impact of the platforms introduced at the end of 2007 – excluding this burden, costs would have increased by 6.1%. The combination of the income/cost trend put the efficiency ratio at 34.3% for 2008.

Income and costs partially offset the larger portion of net allocations for loans, mainly due to the economic slowdown and the fall in credit rating in Spain.

Excluding this unit, net allocations for loans in the remaining area increased steadily with business, securing twin-figure growth in net operating income. Amid this scenario, write-down activity has given the Issuer a non-performing loans ratio of 4.6% as compared with 3.1% in 2007 and a hedge ratio of 86.1%. For the first half of 2009 the non-performing loans ratio was 5.2% and the hedge ratio was 84.4%. Doubtful assets amounted to €2,291 million at 31 December 2008, as compared with €1,357 million at 31 December 2007. This figure at 30 June 2009 was €2,788 million.

Profit before taxes in 2008 was €537.1 million or €398.03 after taxes (€378 million excluding minority interests). Profit before taxes in 2007 was €812.1 million and includes extraordinary results. For the first half of 2009 profit before tax reached €111.39 million, €58.74 million after tax. In terms of revenue, gross margin was €1,410 million for the first half of 2009, + 28% in comparison to the same period in 2008.

From the management point of view inside the Santander Group, the 2008 net attributable profit attributable to the Consumer Group was €696 million (this includes other managed companies, for example Santander Consumer USA, a Texan subsidiary of the Santander Group which is also dedicated to financing vehicles in the US).

New Business of the Issuer in 2008

The volume of business grew in 2008 to €23.419 million, a decrease of €800 million with respect to 2007.

The following table summarises new financing extended in 2008 by product line, compared with the previous year:

<i>(millions of euro)</i>	2008 financial year	% of total activity	2007 financial year	Variation 2008/2007

Other	504,9	2%	383.6	32%
Total financing activity	21,568.8	100%	24,220.0	-3%

The managed assets portfolio in 2008 was €51,825 million (+14.7%), partly due to the assets acquired from The Royal Bank of Scotland plc (growth equivalent to 5 percentage points). Loans and advances to customers amounted to €48.426 million in 2008, 13% more than in 2007 and to €51,472 million in the first half of 2009, an increase of almost 6.3 per cent since December 2008.

Almost two-thirds of the entire managed portfolio was accounted for by vehicle financing, mostly new car registrations (34%, as compared with 28% for used cars), and 22% by indirect consumption, with cards and direct loans as the most profitable products.

There are five key factors which explain the trend over the year:

- A smaller European consumer market, particularly in the car sector, which reported an 8% decrease in registrations. A fall in consumption in comparison to the previous year was reported in all countries, most particularly in Spain (-28%).

Within this context, the sector only just managed to hold its vehicle financing position in Europe (-3%), mainly because it was able to offset the downturn in Spain with a strong German market and impressive growth in Italy and Nordic countries.

- In other segments growth was extremely selective, with the emphasis on better prices and an increase in high-return products such as direct loans.

- As a result, diversification of European business has offset the weak macroeconomic situation in certain markets by using the greater strength of others and their ability to generate synergies.
- Addition of the new platforms and adjustment of other units to the new lower-growth scenario.
- Some mention must also be made of the new units acquired in Germany and the Netherlands during the latter stage of the year which, although their contribution to profits was small, are set to generate synergies and additional profits in future quarters.
- Some of the other new units, which will require substantial investment in the future, were sold to other entities, both inside and outside the Consumer Group. The impact of these divisions and the cost of recent purchases which are currently in the initial stages of development deducted some 26 percentage points from the growth of group-attributable profits.

New loans decreased 3% as a result of a mixed trend of a comparable fall in auto finance -3 per cent . Of note was the 30 percent decrease in cards and 55 per cent decrease in mortgages compensated with a 13 percent increase in direct product.

"Automobile financing" includes all business associated with the financing of both new and used cars, including operating and finance leases. This is the Consumer Group's main business, which, at €13,035.9 million, represented 60% of all new financing activity during 2008, a decrease of 3% over the previous year. New car financing represented 35% of the total portfolio (57% of the automobile financing business) while used car financing accounted for 26% of the total portfolio.

"Consumer financing" includes the financing of consumer products distributed through intermediaries (subscription agents or dealers). Credit cards represents the business of extending consumer credit by means of credit cards, including the issue and management of credit cards. These two product groups represented 19% of total activity in 2008, or €4,197 million, a decrease of 30% when compared with the previous year.

Direct loans grew by 13% in 2008. Direct Financing comprises the financing of consumer products distributed through the Consumer Group's own channels, without intermediation. It includes the marketing of personal loans for small amounts, with a short granting and approval period. Direct Financing represents 14% of the Consumer Group's total activity, amounting to €3,107.1 million in 2008.

The Mortgage financing business decreased 55% over 2007 and represents all activities related to financing backed by a security over property. This business is carried out residually in two countries: Spain and Poland. This activity represented 3% of the total for 2008, at €723.9 million.

Other businesses include operations that do not fit into any of the above categories, such as operations with companies (corporate leasing and real estate renting). This activity represented 2% of total activity for 2008.

At the end of 2008, the balance of customer funds reached €32,766.3 million, representing a decrease of 1.7% compared to the €33,318.8 million recorded in the previous financial year, excluding subordinated debt issued.

Consumer Group holds banking licenses in the majority of the countries in which it is present. One of its main sources of funding is customer deposit through Germany, Spain, Italy and Scandinavia.

Customer deposits (demand deposits and fixed-term deposits) ended the year with a balance of €18,053.5 million, an increase of €4,184 million from the previous financial year⁸. Out of this total, 71.6% corresponds to Germany, 26.14% corresponds to Spain (the majority through *Openbank*) and Portugal, and 1.91% corresponds to Italy. Total customer deposits at 30 June 2009 were €20,683 million.

Marketable debt securities include several outstanding bonds from securitisations in Spain, Germany and Italy, with the inclusion of *Cédulas Hipotecarias* issued by Santander Consumer Finance S.A. in March 2006 for a nominal amount of €1,200 million, and the notes issued under the *Programa de Emisión de Pagars* with a limit of €10,000 million.

The following table summarises customer funds under management in 2008, as compared to the previous financial year (the data does not include valuation adjustments nor subordinated debt):

Customer Funds under management

Main Markets in which the Issuer competes

At year end 2008, the Issuer carried out its consumer financing business mainly in the Euro zone. The Consumer Group separates geographic reporting into five operating areas, each one containing the total of the business that the Consumer Group carries out in each geographical area: Spain (including *Openbank*) and Portugal, Germany, Italy, Scandinavia and the Rest of Europe.

The following tables summarise customer lending and customer deposits by geographical area at 31 December 2008, compared with the previous year (excluding balance sheet adjustments):

This area includes all of the countries where the Issuer is present except Spain, Portugal, Germany, Italy and Scandinavia as well as relevant subsidiaries. It includes Poland, the United Kingdom and Russia.

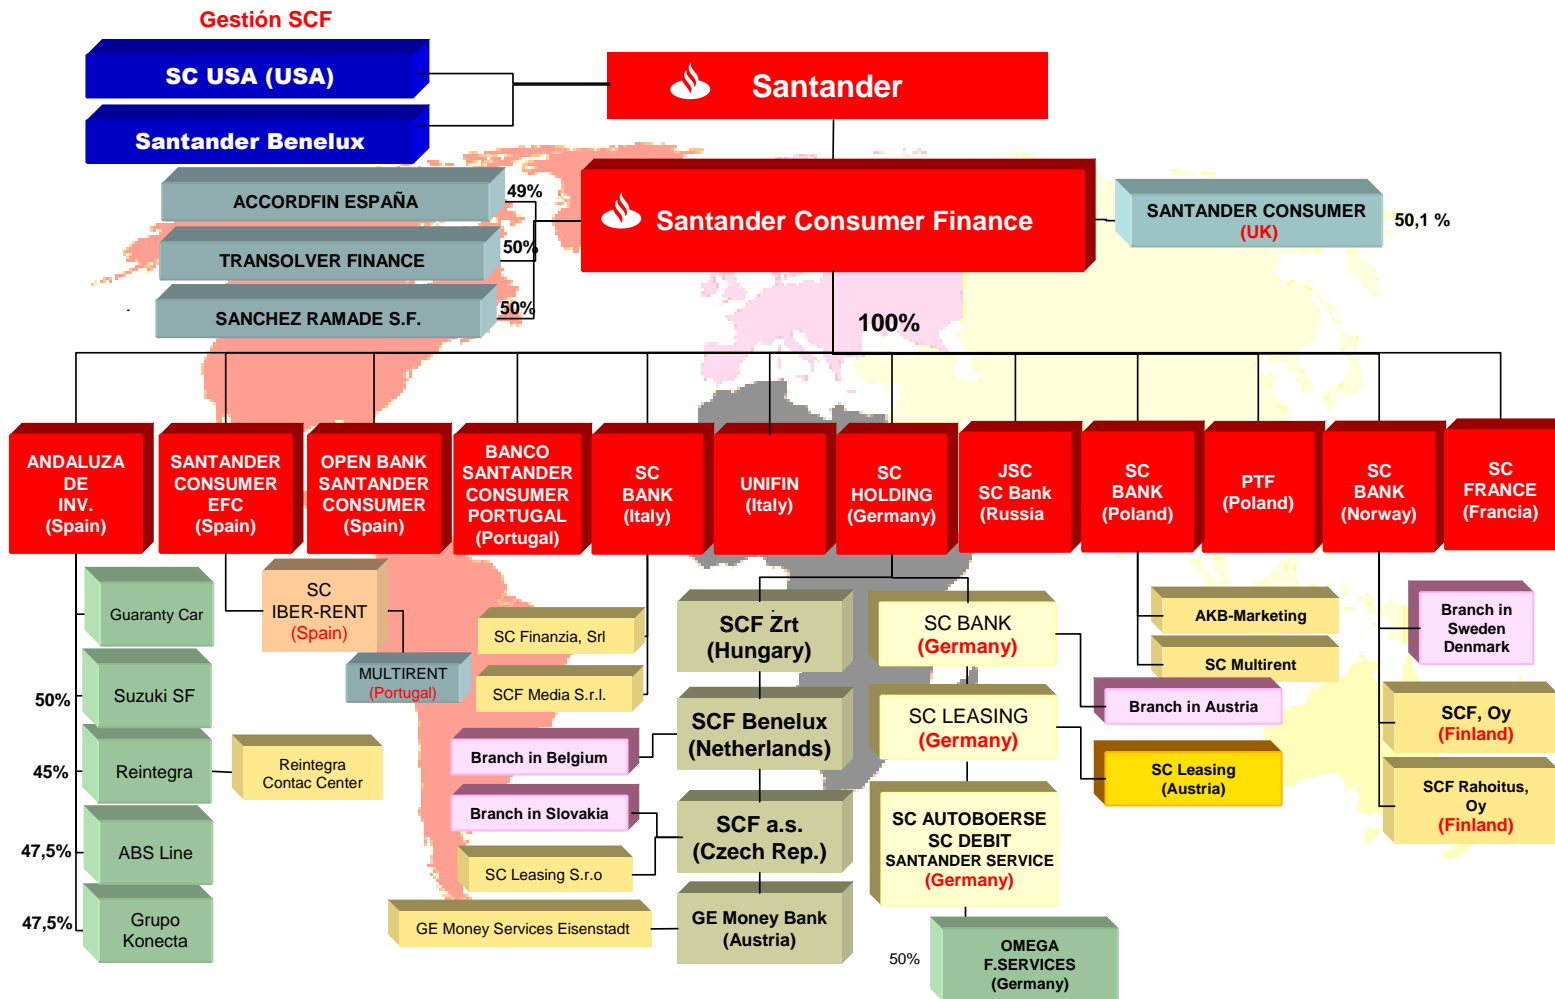

Organisational Structure

The Issuer is the parent company of a group of companies providing consumer finance services within the Santander Group.

The growth experienced by the Consumer Group in recent years has resulted in the Issuer acting, in addition to its consumer-financing role, as shareholder of different Consumer Group companies.

2008 net attributable profit was around 4.26% of the total for the Santander Group. From the management point of view inside the Santander Group, the 2008 net attributable profit attributable to Consumer Group was 696 million (it includes other managed companies as for example Santander Consumer USA, a Texan subsidiary of the Santander Group also dedicated to financing vehicles in the US).

The diagram below summarises the structure of the Consumer Group as at 28 February 2009:

Recent Developments

The most significant acquisitions and disposals of investments in Consumer Group entities and other relevant corporate transactions in the first half of 2009 and for the years 2008 and 2007 were as follows:

Also, these shareholders wrote a call option on 30% of the share capital of this company in favour of the Issuer.

These put and call options, the price of which remains subject to the growth in this company's assets over the coming years, but which is not expected to be lower than the price per share paid by the Issuer to acquire its controlling interest in Unifin, S.p.A., were exercised on 11 June 2009, whereby the Issuer acquired 30% of the share capital of this investee for €23,750 thousand and, accordingly, its ownership interest rose to 100% of its share capital.

Banco Santander Consumer Portugal, S.A. (formerly Interbanco, S.A.)

In September 2005 the Issuer and the Portuguese company SAG Gest - Soluções Automóvel Globais, SGPS, S.A. ("**SAG Gest**") reached an agreement to jointly provide consumer finance and vehicle financing services in Portugal and operate the vehicle full-service lease business in Spain and Portugal. Consequently, in 2006 the Issuer acquired a 50.001% interest from this Company in the share capital of the Portuguese company Interbanco, S.A. for €124,552,000.

In January 2007 the Issuer and its subsidiary Santander Consumer, E.F.C., S.A. integrated the business of their branches in Portugal into Interbanco, S.A. This Portuguese credit institution performed a capital increase at par which was subscribed by the Issuer and Santander Consumer, E.F.C., S.A. through non-monetary contributions valued by an independent expert, under the expert's own responsibility, at €7,944,000 and €13,261,000, respectively. This transaction did not give rise to any gain or loss for the Consumer Group.

Also, the Issuer wrote a put option in favour of SAG Gest which gave SAG Gest the right to sell, within three months from 14 September 2007, its shares of Banco Santander Consumer Portugal, S.A. for the same amount as that paid by the Issuer when it acquired a controlling interest in this entity, plus a premium of €10 million.

Also, in October 2007, the Issuer wrote a put option in favour of SAG Gest which entitled SAG Gest to sell, within ten days from 4 January 2008, the remaining 11.8% of the shares of Banco Santander Consumer Portugal, S.A. for €40,854,000. At 31 December 2007, the Issuer's directors considered that this option would be exercised and, consequently, the acquisition of this 11.8% ownership interest was recognised in advance as an addition to the value of the investment in Banco Santander Consumer Portugal, S.A. and as an account payable to SAG Gest, which was recognised under "Financial Liabilities at Amortised Cost - Other Financial Liabilities" in the accompanying consolidated balance sheet at 31 December 2007 (see Note 22 of the 2008 Financial Statements, as incorporated by reference herein). In January 2008 SAG Gest exercised the aforementioned put option.

Consequently, at the date on which these consolidated financial statements were authorised for issue, the Issuer had a 100% interest in Banco Santander Consumer Portugal, S.A. (80% was held directly and 20% indirectly).

At its meeting on 28 September 2006, the Issuer's Board of Directors resolved to acquire all the shares of the holding companies owning the Russian financial institution CB Extrobank. The successful completion of this transaction was subject to compliance with certain conditions that were met in 2007. Consequently, on 27 April 2007 the Issuer indirectly acquired all the shares of this company for €43,886,000.

In 2008 the Issuer reorganised its investments in Russia by dissolving and liquidating four of the holding companies of the financial institution JSC Santander Consumer Bank (LLC Amstoun, LLC Mark Strit, LLC Firm Knommunlnzstroi and LLC Fincommerts), as a result of which it now holds a direct ownership interest of 90.5% in the share capital of this institution (100% direct and indirect ownership interest).

Layna Group

On 29 March 2007, Andaluza de Inversiones S.A., a subsidiary of the Issuer, exercised a put option arranged in March 2002 and sold its 49% ownership interest in Layna de Inversiones, S.A. to Mapfre Automóviles, S.A. de Seguros y Reaseguros for €25,677,000. The gain generated from this sale amounted to €1,346,000 and is recognised under "Gains/Losses on Financial Assets and Liabilities (net)" in the accompanying consolidated income statement for 2007 (see Note 37 of the 2007 Financial Statements, as incorporated by reference herein). As a result of this transaction, all the companies composing the Layna Group ceased to form part of the Consumer Group.

Other disclosures

On 16 March 2006, the Issuer wrote a put option for 30% of the share capital of UNIFIN, S.p.A. in favour of this company's minority shareholders. Also, these shareholders wrote a call option on 30% of the share capital in favour of the Issuer. These put and call options have been executed on 12 June 2009 for a final amount of €22,000,000.

Capital increases

Furthermore, in the first half of 2009 and the years ended 31 December 2008 and 2007 certain investors carried out capital increases which were fully subscribed and paid, as set out in the table below:

(*) Includes only the disbursements made by the Consumer Group in these capital increases.

The Issuer is part of the Santander Group, which is the owner of 100% of its share capital.

On 4 March 2009, the Issuer carried out a new capital increase for the amount of approximately €1.195 million, which was fully subscribed and paid for by Banco Santander, S.A. ("**Banco Santander**"). This capital increase was recorded in a public deed dated 5 March 2009, which was registered in the Mercantile Register on 18 March 2009.

At a later stage, Holnet B.V. and Fomento e Inversiones, S.A. repurchased a number of shares from Banco Santander to maintain their initial stake held before this capital increase.

Notifications of acquisitions of holdings

The notifications made by the Issuer in the first nine months of 2008, in compliance with Article 86 of the Spanish Companies Law and Article 53 of Securities Market Law 24/1998, of the acquisitions and disposals of holdings in investees are listed in Appendix 1.

Events after the balance sheet date

On 4 March 2009, the Extraordinary General Meeting of the Issuer resolved to increase capital by €1,195,480,000 by issuing at par 398,493,428 ordinary shares of €3 par value each. This capital increase was subscribed and paid in full by Banco Santander through a non-monetary contribution comprising four loans granted by Banco Santander, for the ordinary financing of their business, to the subsidiaries SC Holding GmbH (Germany), GE Money Bank GmbH (Austria), Santander Consumer Bank, A.S (Poland) and Santander Consumer Bank A.S. (Norway) (see Appendix I), together with two cross currency swaps associated with the last two

loans mentioned above, which are not denominated in euro. The value of these loans, according to the independent expert's report, prepared under his own responsibility, does not differ substantially from the amount by which the Issuer increased its capital. This capital increase was recorded in a public deed dated 5 March 2009, which was registered in the Mercantile Register on 18 March 2009.

Subsequent to 2008 year-end, the need arose, in view of the current economic climate, for the Santander Group to restructure its businesses in Spain in order to adapt to the current market situation. This planned restructuring will affect approximately 30% of the workforce in Spain (326 employees, most of whom are employed by the subsidiary Santander Consumer, S.A., E.F.C.) and will basically consist of the implementation of a new relationship model with agents, the adaptation of the sales force and the centralisation of the after-sales and administrative activities in other units of the Santander Group.

As a result, the Consumer Group embarked upon a series of talks and consultations with the workers' representatives, in order to define how this restructuring was to be carried out and an agreement was reached with the workers' representatives on 6 March 2009. The key features of this agreement are as follows:

- Early retirement:

- Employees of over 50 years of age, who meet the general requirements set forth in the Early Retirement General Agreement of 28 October 2003, may take early retirement. The Consumer Group will also offer early retirement on a selective basis to employees not affected by the restructuring process, who may choose to accept it voluntarily. On an exceptional basis, early retirement may be applied to employees who reach the age of 49 in 2009.

- Redeployments:

- At Banco Santander, for a minimum of 30% of the employees affected by the restructuring, with recognition for all purposes of their proven length of service and subrogation of Banco Santander to all the duties and obligations arising from the employment relationship.

- At Geoban, S.A., according to the professional profile of the affected job positions, these redeployments will be carried out by first terminating the employment relationship with the original company, granting a termination benefit of 45 days' salary per year of service and signing a new employment contract with Geoban, S.A., without recognition of the employee's length of service.

- At other Santander Group companies, either using the special leave formula or by prior termination of the employment relationship at the original company, at the employee's discretion, under identical terms to those for redeployments at Geoban, S.A.

- Voluntary redundancies for objective reasons: the employees who choose this measure will receive a termination benefit of 60 days' salary per year worked. Employees with a proven length of service of under five years will receive an additional bonus of €2,000. In addition, employees who reach 45 years of age or more in 2009 will receive an additional bonus of €6,000. Employees who leave the Consumer Group will receive help in their search for employment from a specialised outplacement company, the cost of which will be borne by the Consumer Group entities, for a maximum period of nine months, extendable by a further three months, at the employee's request.

Sale of share in Open Bank Santander Consumer, S.A.

On 30 September 2009, the Issuer sold its entire participation in Open Bank Santander Consumer, S.A., equivalent to 100% of the total share capital, to Banco Santander, S.A. for a total amount of €168,000,000. The transaction was performed at market value as determined by the Directors of Banco Santander S.A. and of the Issuer and partially based on a report prepared by an independent expert. The Issuer's Directors considered such transaction to have been implemented in a similar fashion to the existing transactions amongst independent third parties, and therefore the benefit obtained, which amounted to €74,562,000, was recorded under the heading "Gains/(losses) on disposal of assets not classified as non-current assets held for sale" in the consolidated profit and losses accounts.

TAXATION

The following is a general description of certain tax considerations relating to the Notes. It does not purport to be a complete analysis of all tax considerations relating to the Notes, whether in those countries or elsewhere. Prospective purchasers of Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of Notes and receiving payments of interest, principal and/or other amounts under the Notes and the consequences of such actions under the tax laws of those countries. This summary is based upon the law as in effect on the date of this Base Prospectus and is subject to any change in law that may take effect after such date.

Taxation in Spain

1. Introduction

This information has been prepared in accordance with the following Spanish tax legislation in force at the date of this document:

- (1) of general application, Additional Provision two of Law 13/1985, of 25 May, on investment ratios, own funds and information obligations of financial intermediaries, as amended by Law 19/2003 of 4 July on legal rules governing foreign financial transactions and capital movements and various money laundering prevention measures, Law 23/2005, of 18 November, on certain measures to promote productivity and Law 4/2008, of 23 December abolishing the Wealth Tax levy, generalising the Value Added Tax monthly refund system and introducing other amendments to the tax legal system, as well as Royal Decree 1065/2007, of 27 July, approving the General Regulations of the tax inspection and management procedures and developing the common rules of the procedures to apply taxes;
- (2) for individuals with tax residency in Spain which are Individual Income Tax ("**IRPF**") taxpayers, Law 35/2006, of 28 November, on Individual Income Tax and partial amendment of Corporation Tax Law, Non Residents Income Tax Law and Wealth Tax Law and Royal Decree 439/2007, of 30 March promulgating the Individual Income Tax Regulations along with Law 19/1991, of 6 June on Wealth Tax and Law 29/1987, of 18 December on Inheritance and Gift Tax;
- (3) for legal entities resident for tax purposes in Spain which are Corporation Tax taxpayers, Royal Legislative Decree 4/2004, of 5 March promulgating the Consolidated Text of the Corporation Tax Law, and Royal Decree 1777/2004, of 30 July promulgating the Corporation Tax Regulations; and
- (4) for individuals and entities who are not resident for tax purposes in Spain which are non-resident income tax taxpayers, Royal Legislative Decree 5/2004, of 5 March promulgating the Consolidated Text of the Non-Resident Income Tax Law, and Royal Decree 1776/2004, of 30 July promulgating the Non-Resident Income Tax Regulations, along with Law 19/1991, of 6 June on Wealth Tax and Law 29/1987, of 18 December on Inheritance and Gift Tax.

Whatever the nature and residence of the Noteholders, the acquisition and transfer of the Notes will be exempt from indirect taxes in Spain, i.e. exempt from Capital Transfer Tax and Stamp Duty, in accordance with the Consolidated Text of such tax promulgated by Royal Legislative Decree 1/1993, of 24 September and exempt from Value Added Tax, in accordance with Law 37/1992, of 28 December regulating such tax.

2. **Individuals with Tax Residency in Spain**

2.1 **Individual Income Tax (*Impuesto sobre la Renta de las Personas Físicas*)**

Both interest periodically received and income deriving from the transfer, redemption or repayment of the Notes constitute a return on investment obtained from the transfer of an individual's own capital to third parties in accordance with the provisions of Section 25.2 of the Individual Income Tax Law, and must be included in the Investor's individual income tax savings taxable base and taxed at a flat rate which is currently 18% (according to the Spanish Budget Law Project for the 2010 fiscal year published on 29 September 2009, the rate is due to increase as of 1 January 2010).

Both types of income are subject to a withholding on account at the rate which is currently 18% (subject to the increase described above).

The individual holder may credit the withholding against his or her final individual income tax ("**Individual Income Tax**") liability for the relevant tax year.

2.2 **Wealth Tax (*Impuesto sobre el Patrimonio*)**

Law 4/2008 has amended Law 19/1991 introducing a credit of 100 per cent. over the tax due and removing the obligation to file Wealth Tax declaration as from 1 January 2008.

Due to this amendment to Law 19/1991, Spanish resident individuals are not subject to Wealth Tax.

2.3 **Inheritance and Gift Tax (*Impuesto sobre Sucesiones y Donaciones*)**

Individuals with tax residency in Spain who acquire ownership or other rights over any Notes by inheritance, gift or legacy will be subject to inheritance and gift tax ("**Inheritance and Gift Tax**") in accordance with the applicable regional or State rules. The applicable tax rates currently range between 7.65% and 81.6%, depending on relevant factors.

3. **Legal Entities with Tax Residency in Spain**

3.1 **Corporate Income Tax (*Impuesto sobre Sociedades*)**

Both interest periodically received and income deriving from the transfer, redemption or repayment of the Notes constitute a return on investments for tax purposes obtained from the transfer to third parties of own capital and must be included in the profit and taxable income of legal entities with tax residency in Spain for corporation tax purposes in

accordance with the rules for this tax, being subject to the general tax rate which is currently 30%.

In accordance with Section 59.s) of the Corporate Income Tax Regulations there is no obligation to make a withholding on income obtained by Spanish Corporate Income Tax taxpayers (which for the sake of clarity, include Spanish tax resident investment funds and Spanish tax resident pension funds) from financial assets traded on organised markets in OECD countries. The Issuer intends to make an application for the Notes to be traded on the Luxembourg Stock Exchange and, upon admission to trading on the Luxembourg Stock Exchange, they will therefore fulfil the requirements laid down by the legislation for exemption from withholding. The Directorate General for Taxation (Dirección General de Tributos — "DGT"), on 27 July 2004, issued a reply to a consultation indicating that in the case of issues made by entities resident in Spain, as in the case of the Issuer, application of the exemption requires that the Notes be placed outside Spain in another OECD country. The Issuer considers that the issue of the Notes will fall within this exemption as the Notes are to be sold outside Spain and in the international capital markets and none of the entities initially placing the Notes is resident in Spain. Consequently, the Issuer will not make any withholding on interest payments to Spanish Corporate Income Tax taxpayers that provide relevant information to qualify as such. If the Spanish tax authorities maintain a different opinion on this matter however, the Issuer will be bound by that opinion and with immediate effect, make the appropriate withholding and the Issuer will not, as a result, be under any obligation to pay additional amounts.

In order to implement the exemption from withholding, the procedures laid down in the Order of 22 December 1999 will be followed. No reduction percentage will be applied. (Please see "*Disclosure of Noteholder Information in connection with interest payments*" below).

3.2 **Wealth Tax (*Impuesto sobre el Patrimonio*)**

Spanish resident legal entities are not subject to Wealth Tax.

3.3 **Inheritance and Gift Tax (*Impuesto sobre Sucesiones y Donaciones*)**

Legal entities with tax residency in Spain which acquire ownership or other rights over the Notes by inheritance, gift or legacy are not subject to inheritance and gift tax and must include the market value of the Notes in their taxable income for Spanish Corporate Income Tax purposes.

4. **Individuals and Legal Entities with no Tax Residency in Spain**

4.1 **Non-Resident Income Tax (*Impuesto sobre la Renta de no Residentes*)**

(a) *With permanent establishment in Spain*

Ownership of the Notes by investors who are not resident for tax purposes in Spain will not in itself create the existence of a permanent establishment in Spain.

If the Notes form part of the assets of a permanent establishment in Spain of a person or legal entity who is not resident in Spain for tax purposes, the legal rules applicable to income deriving from such Notes are the same as those previously set out for Spanish Corporation Tax taxpayers.

(b) *With no permanent establishment in Spain*

Both interest payments periodically received and income deriving from the transfer, redemption or repayment of the Notes, obtained by individuals or entities who have no tax residency in Spain, being Non-Resident Income Tax taxpayers with no permanent establishment in Spain, are exempt from such Non-Resident Income Tax on the same terms laid down for income from Public Debt.

For these purposes it is necessary to comply with certain information obligations relating to the identity of the Noteholders, in the manner detailed under "Disclosure of Noteholder information in connection with interest payments" as laid down in section 44 of Royal Decree 1065/2007. If these information obligations are not complied with in the manner indicated the Issuer will apply a withholding of 18% (according to the Spanish Budget Law Project for the 2010 fiscal year published on 29 September 2009, the rate is due to increase as of 1 January 2010) and the Issuer will not, as a result, be under any obligations to pay additional amounts.

Noteholders not resident in Spain for tax purposes and entitled to exemption from Non-Resident Income Tax but on whose behalf the Issuer does not timely receive proper evidence of their tax residence may obtain a refund of the amount withheld by following the Quick Refund Procedures, or otherwise, directly from the Spanish tax authorities by following the Direct Refund Procedure.

Noteholders who have been subject to Spanish withholding tax on any implicit income resulting from the repayment of principal at the Maturity Date, or at any earlier redemption date, as the case may be, of Notes initially issued below par (for example, at a discount) with an original issue discount may obtain a refund of the amount withheld directly from the Spanish tax authorities. Noteholders should consult their own tax advisers regarding their eligibility to claim a refund from the Spanish tax authorities and the procedures to be followed in such circumstances.

4.2 **Wealth Tax (*Impuesto sobre el Patrimonio*)**

Law 4/2008 has amended Law 19/1991 introducing a credit of 100 per cent. over the tax due and removing the obligation to file Wealth Tax declarations as from 1 January 2008.

Due to this amendment to Law 19/1991, non-resident individuals are not subject to Wealth Tax.

4.3 **Inheritance And Gift Tax (*Impuesto sobre Sucesiones y Donaciones*)**

Individuals who do not have tax residency in Spain who acquire ownership or other rights over the Notes by inheritance, gift or legacy, and who reside in a country with which

Spain has entered into a double tax treaty in relation to Inheritance Tax will be subject to the relevant double tax treaty.

If the provisions of the foregoing paragraph do not apply, such individuals will be subject to Inheritance and Gift Tax in accordance with the applicable regional and state legislation.

Non-resident entities which acquire ownership or other rights over the Notes by inheritance, gift or legacy are not subject to Inheritance and Gift Tax. They will be subject to Non-Resident Income Tax. If the entity is resident in a country with which Spain has entered into a double tax treaty, the provisions of the treaty will apply. In general, treaties provide for the taxation of this type of income in the country of residence of the beneficiary.

5. **Disclosure of Noteholder Information in Connection with Interest Payments**

The Issuer is currently required by Spanish law to file an annual return with the Spanish tax authorities in which it reports on certain information relating to payments made in respect of the Notes. The Spanish tax authorities may rely on such returns in order to assess whether or not the Issuer has correctly withheld tax on payments which it made under the Notes.

The Issuer completes annual returns on the basis of the information provided it by, or on behalf of, Noteholders. The following is a summary of the procedures implemented by the ICSDs to facilitate collection of the relevant Holder information necessary to enable the Issuer to comply with its annual reporting obligations pursuant to Additional Provision Two of Law 13/1985, prior to its amendment by Law 4/2008. Pending the enactment of secondary legislation to implement the amendments to Additional Provision Two of Law 13/1985 contemplated by Law 4/2008 and in accordance with the consultations from the General Directorate of Taxation dated 20 January 2009, the current procedures will continue to be applied by the ICSDs.

The following is a summary only and remains subject to the detailed procedures of each of the ICSDs, as well as to any changes in Spanish tax law and/or regulations, or the interpretation thereof, which the Spanish tax authorities may promulgate from time to time. Noteholders must seek their own advice to ensure that they comply with all procedures to ensure the correct tax treatment of their Notes and should consult the latest announcements in relation to the procedures on the ICSDs websites (www.euroclear.com and www.clearstream.com). None of the Issuer, the Dealers, the Issue and Paying Agent or the ICSDs (or any other clearing system) assume any responsibility therefor.

5.1 **Individuals and Legal Entities with no Tax Residency in Spain**

The information obligations to be complied with in order to apply the exemption are those laid down in Section 44 of Royal Decree 1065/2007 ("**Section 44**"), being the following:

In accordance with sub-section 1 of such Section 44, an annual return must be made to the Spanish tax authorities by the Issuer specifying the following information with respect to the Notes:

- (a) the identity and country of residence of the recipient of the income. When the income is received on behalf of a third party, the identity and country of residence of that third party;
- (b) the amount of income received; and
- (c) details identifying the Notes.

In accordance with sub-section 2 of such Section 44, for the purpose of preparing the annual return referred to in sub-section 1 of Section 44, certain documentation regarding the identity and country of residence of the Noteholders receiving each payment must be submitted to the Issuer at the time of each such payment. In particular, non-Spanish resident Noteholders must provide (or arrange to be provided on their behalf by their legal representatives⁹) the documents described below:

- (i) if the non-resident Noteholder acts on its own account and is a central bank, other public institution or international organisation, a bank or credit institution or a financial entity, including collective investment institutions, pension funds and insurance entities, resident in an OECD country or in a country with which Spain has entered into a double tax treaty subject to a specific administrative registration or supervision scheme, the entity in question must certify its name and tax residency in the manner laid down in Annex I of the Order of 16 September 1991, promulgated pursuant to Royal Decree 1285/1991 (see Annex I below), of 2 August establishing the procedure for the payment of interest on Book Entry State Debt (as defined therein) to non-residents who invest in Spain without the intervention of a permanent establishment;
- (ii) in the case of transactions in which any of the entities indicated in the foregoing paragraph (a) acts as intermediary, the entity in question must, in accordance with the information contained in its own records, certify the name and tax residency of each Noteholder in the manner laid down in Annex II of the Order of 16 September 1991 (see Annex II below);
- (iii) in the case of transactions which are channelled through a securities clearing and deposit entity recognised for these purposes by Spanish law or by that of another OECD member country, the entity in question must, in accordance with the

⁹ The principle of legal representative could permit, in the appropriate cases, Euroclear and/or Clearstream, Luxembourg to prepare, issue and sign the relevant Annexes under a power of attorney on behalf of their Participants/Customers.

information contained in its own records, certify the name and tax residency of each Noteholder in the manner laid down in Annex II of the Order of 16 September 1991 (see Annex II below);

- (iv) in other cases¹⁰, residency must be evidenced by submission of the residency certificate issued by the tax authorities of the State of residency of the Noteholder. These certificates will be valid for one year as from the date of issue.

The certificates referred to in (i), (ii) and (iii) above must include the identity and country of residence of each Noteholder entitled to receive payment on the relevant payment date. In accordance with the current procedures of the ICSDs, Noteholders entitled to receive payment on the relevant payment date are those persons holding Notes at the close of business on the day preceding the relevant payment date. Such certificates may therefore not be dated and may not be submitted to the Issue and Paying Agent prior to close of business on the day preceding the relevant payment date.

In accordance with sub-section 44(3) of Royal Decree 1065/2007, on the relevant payment date the Issuer must arrange for the net amounts payable after deduction of Spanish withholding tax at the applicable rate (currently 18%, but according to the Spanish Budget Law Project for the 2010 fiscal year published on 29 September 2009, the rate is due to increase as of 1 January 2010)) to be transferred to the entities referred to in paragraphs (i), (ii) and (iii). Withholding tax will be applied to the whole amount of the interest payable on the relevant Notes on the relevant payment date.

The documents referred to in (i), (ii) and (iii) must be accurately completed, delivered to and received by Euroclear or Clearstream, Luxembourg or, as the case may be, completed by Euroclear or Clearstream, Luxembourg if appointed as legal representative in respect of the Noteholder, by the relevant time (as determined by Euroclear or Clearstream, Luxembourg) on the relevant payment date, and received by the Issue and Paying Agent (as common depositary). Euroclear or Clearstream, Luxembourg would need to arrange for a provision of a global confirmation of the total amount of securities held by each of its qualified participants (i.e. those participants possessing the qualifications mentioned in article 44.2(a) of Royal Decree 1065/2007) for the purposes of complying with the provision contained in article 44.1(a) of Royal Decree 1065/2007.

Those non-Spanish resident Noteholders in respect of whom the procedures of the ICSDs have been complied with and in respect of whom Euroclear or Clearstream, Luxembourg has been appointed as legal representative, are entitled to receive payments free of withholding and should receive a refund of amounts withheld on the relevant payment date.

Payments made to non-Spanish resident Noteholders in respect of whom the ICSDs procedures are not complied with or in respect of whom Euroclear or Clearstream, Luxembourg has not been appointed as their legal representative will be made subject to

¹⁰A tax residence certificate will be required in circumstances where Notes are not cleared and settled through Euroclear, Clearstream, Luxembourg or any other clearing system recognised as such by the laws of Spain or of an OECD country.

Spanish withholding tax on the relevant payment date at the current rate of 18% (according to the Spanish Budget Law Project for the 2010 fiscal year published on 29 September 2009, the rate is due to increase as of 1 January 2010), although such Noteholders may be entitled to a refund at a later date of amounts withheld as further described under paragraphs 5.2 and 5.3, below.

5.2 Legal Entities with Tax Residency in Spain subject to Spanish Corporate Income Tax

Noteholders who are legal entities resident for tax purposes in Spain and subject to Spanish Corporate Income Tax may receive payments in respect of the Notes free of withholding provided that they provide (or arrange to be provided on their behalf by Euroclear and Clearstream, Luxembourg if appointed as legal representative in respect of the Noteholder) accurate and timely information enabling them to qualify for such an exemption from withholding.

The entities referred to in paragraph 5.1(a) above must provide to the ICSDs by the relevant time (as determined by the ICSDs) on the relevant payment date a list of Noteholders who are subject to Spanish Corporate Income Tax, specifying each Noteholder's name, address and Tax Identification Number as well as the ISIN code of the relevant Notes, the number of such Notes held on the relevant payment date, the gross income and the amount withheld, all substantially in the form set out in Annex III below, or, as the case may be, such information must be provided by Euroclear or Clearstream, Luxembourg if appointed as legal representative in respect of the Noteholder and received by the Issue and Paying Agent (as common depositary) by 10:30 (CET) on the relevant payment date.

Noteholders who are legal entities resident for tax purposes in Spain and subject to Spanish Corporate Income Tax and in respect of whom the procedures of the ICSDs have been complied with and in respect of whom Euroclear or Clearstream, Luxembourg has been appointed as their legal representative, are entitled to receive payments free of withholding and should receive a refund of amounts withheld on the relevant payment date.

Payments made to Noteholders in respect of whom the above ICSDs procedures are not complied with or in respect of whom Euroclear or Clearstream, Luxembourg has not been appointed as their legal representative will be subject to Spanish withholding tax on the relevant payment date at the current rate of 18% (according to the Spanish Budget Law Project for the 2010 fiscal year published on 29 September 2009, the rate is due to increase as of 1 January 2010), although such Noteholders may be entitled to a refund at a later date of amounts withheld as further described under paragraphs 5.3 and 5.4 below.

5.3 Quick Refund by the Issuer

In the case of both paragraph 5.1 and paragraph 5.2 above, in order for a Noteholder to receive payments free of Spanish withholding tax on the relevant payment date, the documentation described in paragraphs 5.1 and 5.2 must be received by the relevant deadlines.

If the relevant documentation in respect of an eligible Noteholder is not received by the relevant deadlines, the Issue and Paying Agent will be obliged to transfer payment to such Noteholder subject to Spanish withholding tax (currently at the rate of 18%, but according to the Spanish Budget Law Project for the 2010 fiscal year published on 29 September 2009, the rate is due to increase as of 1 January 2010). However, the Noteholder may obtain a refund by the Issuer of the amount withheld by ensuring that the Issue and Paying Agent receives the relevant, correctly completed certificate by no later than 10:00 a.m. (CET) on the Business Day before the 10th calendar day of the month following the relevant payment date (or if such date is not a Business Day (as defined in the Agency Agreement), the Business Day immediately preceding such date) (the Quick Refund Deadline).

The procedures for providing documentation referred to in paragraphs 5.1 and 5.2 are set out in detail in the Agency Agreement which may be inspected during normal business hours at the specified office of the Issue and Paying Agent. In particular, if the Issue and Paying Agent does not act as common depository, the procedures described in this section will be modified in the manner described in the Agency Agreement.

5.4 Refund by the Spanish Tax Authorities

Noteholders who might otherwise have been entitled to a refund but in respect of whom the Issue and Paying Agent does not receive the relevant documentation on or before a Quick Refund Deadline may seek a refund of Spanish tax withheld directly from the Spanish tax authorities.

Save as described above, all amounts payable (whether in respect of principal, redemption amount, interest or otherwise) in respect of the Notes, the Receipts and the Coupons by the Issuer will be made free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Spain or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. The Issuer shall not be required to pay any such additional amounts as referred to above in relation to any payment in respect of any Note or Coupon in the circumstances described in Condition 9.02. In particular, prospective Noteholders should note that no such additional amounts are payable to Noteholders in respect of whom the Issuer does not receive such information (which may include a tax residence certificate) concerning such Noteholder's identity and tax residence as it may require in order to comply with Law 13/1985 and any implementing legislation (see Condition 9.02(ii)) or to, or to the third party on behalf of, individuals resident for tax purposes in the Kingdom of Spain (see Condition 9.02(vi)).

Taxation in Luxembourg

1. Introduction

The following is a general description of certain Luxembourg tax considerations relating to the Notes. It does not purport to be a complete analysis of all tax considerations relating to the Notes, whether in Luxembourg or elsewhere. Prospective purchasers of the Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of the Notes and receiving payments of interest, principal and/or other amounts under the Notes and the consequences of such actions under the tax laws of Luxembourg. This summary is based upon the law as in effect on the date of this Base Prospectus. The information contained within this section is limited to taxation issues, and prospective investors should not apply any information set out below to other areas, including (but not limited to) the legality of transactions involving the Notes.

2. Withholding Tax

All payments of interest and principal by the Issuer in the context of the holding, disposal, redemption or repurchase of the Notes can be made free and clear of any withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by Luxembourg or any political subdivision or taxing authority thereof or therein, in accordance with the applicable Luxembourg law, subject however to:

- (a) the application of the Luxembourg laws of 21 June 2005 implementing the EU savings directive (Council Directive 2003/48/EC, the "**EU Savings Directive**") and several agreements concluded with certain dependent or associated territories and providing for the possible application of a withholding tax (20% from 1 July

2008 to 30 June 2011 and 35% from 1 July 2011) on interest paid to certain non Luxembourg resident investors (individuals and certain types of entities called "residual entities") in the event of the Issuer appointing a paying agent in Luxembourg within the meaning of the above-mentioned directive (see section "*EU Savings Directive*" below) or agreements;

- (b) the application as regards Luxembourg resident individuals of the Luxembourg law of 23 December 2005 which has introduced a 10% withholding tax (which is final when Luxembourg resident individuals are acting in the context of the management of their private wealth) on savings income (i.e. with certain exemptions, savings income within the meaning of the Luxembourg laws of 21 June 2005 implementing the EU Savings Directive). This law should apply to savings income accrued as from 1 July 2005 and paid as from 1 January 2006.

Responsibility for the withholding of tax in application of the above-mentioned Luxembourg laws of 21 June 2005 and 23 December 2005 is assumed by the Luxembourg paying agent within the meaning of these laws and not by the Issuer.

3. **Taxes on Income and Capital Gains**

A holder of a Note who derives income from such Note or who realizes a gain on the disposal or redemption thereof will not be subject to Luxembourg taxation on such income or capital gains subject to the application of the laws of 21 June 2005 and 23 December 2005 referred to above and, unless:

- (a) such holder is, or is deemed to be, resident in Luxembourg for Luxembourg tax purposes (or for the purposes of the relevant provisions); or
- (b) such income or gain is attributable to an enterprise or part thereof which is carried on through a permanent establishment, a permanent representative or a fixed base of business in Luxembourg;

Pursuant to the Luxembourg law of 17 July 2008 amending the law of 23 December 2005, Luxembourg individuals acting in the context of their private wealth can opt for a 10% flat taxation on certain interest accrued from 1 July 2005 and paid as of 1 January 2008 and received from a paying agent located in a Member State other than Luxembourg, in a country that is part of the European Economic Area or in certain dependent or associated territories of Member States.

4. **Net Wealth Tax**

Luxembourg net wealth tax will not be levied on a holder of a Note unless:

- (a) such holder is, or is deemed to be, resident in Luxembourg for the purpose of the relevant provisions; or
- (b) such Note is attributable to an enterprise or part thereof which is carried on through a permanent establishment, a permanent representative or a fixed base of business in Luxembourg;

The law of 23 December 2005 (*Loi du 23 décembre 2005 portant 1. introduction d'une retenue à la source libératoire sur certains intérêts produits par l'épargne mobilière; 2. abrogation de l'impôt sur la fortune dans le chef des personnes physiques; 3. modification de certaines dispositions de la loi modifiée du 4 décembre 1967 concernant l'impôt sur le revenu*) (date of implementation 1 January 2006) abolished net wealth tax for individuals.

5. Inheritance and Gift Tax

Where the Notes are transferred for no consideration, note in particular:

- 5.1 No Luxembourg inheritance tax is levied on the transfer of the Notes upon death of a holder of a Note in cases where the deceased holder was not a resident of Luxembourg for inheritance tax purposes;
- 5.2 Luxembourg gift tax will be levied in the event that the gift is made pursuant to a notarial deed signed before a Luxembourg notary; or registered in Luxembourg.

6. Other Taxes and Duties

It is not compulsory that the Notes be filed, recorded or enrolled with any court or other authority in Luxembourg or that registration tax, transfer tax, capital tax, stamp duty or any other similar tax or duty (other than court fees and contributions for the registration with the Chamber of Commerce) be paid in respect of or in connection with the execution, delivery and/or enforcement by legal proceedings (including any foreign judgment in the courts of Luxembourg) of the Notes in accordance therewith, except that in case of court proceedings in a Luxembourg court (including but not limited to a Luxembourg insolvency proceeding), registration of the Notes may be ordered by the court, in which case the Notes will be subject to a fixed or ad valorem duty depending on the exact nature of the Notes. Registration would in principle further be ordered, and the same registration duties could be due, when the Notes are produced, either directly or by way of reference, before an official authority ("autorité constituée") in Luxembourg.

7. Residence

A holder of a Note will not become resident, or deemed to be resident, in Luxembourg by reason only of the holding of such Note or the execution, performance, delivery and/or enforcement of that or any other Note.

EU Savings Directive

Under the EU Savings Directive on the taxation of savings income, each Member State is required to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in that other Member State; however, for a transitional period, Austria, Belgium and Luxembourg will, subject to certain exemptions, apply a withholding system in relation to such payments, deducting tax at rates rising over time to 35% (unless during that transitional period they elect to provide information in

accordance with the EU Savings Directive). The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments. Belgium will replace this withholding tax with a regime of exchange of information to the Member State of residence as from 1 January 2010.

A number of non-EU countries, and certain dependent or associated territories of certain Member States, have adopted similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in a Member State. In addition, the Member States have entered into provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident or certain limited types of entity established in one of those territories.

On 13 November 2008 the European Commission published a proposal for amendments to the Directive, which included a number of suggested changes which, if implemented, would broaden the scope of the requirements described above. The European Parliament approved an amended version of this proposal on 24 April 2009. Investors who are in any doubt as to their position should consult their professional advisers.

The arrangements under which Notes may from time to time be agreed to be sold by the Issuer to, and purchased by, Dealers are set out in a Dealer Agreement dated 25 November 2009 (the "**Dealer Agreement**") and made between the Issuer and the Dealers. Any such agreement will, *inter alia*, make provision for the form and terms and conditions of the relevant Notes, the price at which such Notes will be purchased by the Dealers and the commissions or other agreed deductibles (if any) payable or allowable by the Issuer in respect of such purchase. The Dealer Agreement makes provision for the resignation or termination of appointment of existing Dealers and for the appointment of additional or other Dealers either generally in respect of the Programme or in relation to a particular Tranche of Notes.

United States of America: *Regulation S Category 2; TEFRA D or TEFRA C as specified in the relevant Final Terms or neither if TEFRA is specified as not applicable in the relevant Final Terms.*

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S.

The Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the United States Internal Revenue Code and regulations thereunder.

Each Dealer has agreed that, except as permitted by the Dealer Agreement, it will not offer, sell or deliver Notes, (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Notes comprising the relevant Tranche, as certified to the Issue and Paying Agent or the Issuer by such Dealer (or, in the case of a sale of a Tranche of Notes to or through more than one Dealer, by each of such Dealers as to the Notes of such Tranche purchased by or through it, in which case the Issue and Paying Agent or the Issuer shall notify each such Dealer when all such Dealers have so certified) within the United States or to, or for the account or benefit of, U.S. persons, and such Dealer will have sent to each dealer to which it sells Notes during the distribution compliance period relating thereto a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering of Notes comprising any Tranche, any offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

Public Offer Selling Restriction Under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), each Dealer has represented, warranted and agreed, and each further Dealer appointed under the Programme will be required to represent, warrant and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**") it has not made and will not make an offer of Notes which are the subject of the offering contemplated by the Prospectus as completed by the Final Terms in relation thereto (or are the subject of the offering contemplated by a Drawdown Prospectus, as the case may be) to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) *Approved prospectus*: if the Final Terms or Drawdown Prospectus in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a "**Non-exempt Offer**"), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus which is not a Drawdown Prospectus has subsequently been completed by the Final Terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable;
- (b) *Authorised institutions*: at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) *Significant enterprises*: at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual net turnover of more than €50,000,000, all as shown in its last annual or consolidated accounts; or
- (d) *Fewer than 100 offerees*: at any time to fewer than 100 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (e) *Other exempt offers*: at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive.

provided that no such offer of Notes referred to in (b) to (e) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "**offer of Notes to the public**" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression "**Prospectus Directive**" means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

Selling Restrictions Addressing Additional United Kingdom Securities Laws

Each Dealer has represented, warranted and agreed that:

- (a) **No deposit-taking:** in relation to any Notes having a maturity of less than one year:
 - (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business; and:
 - (ii) it has not offered or sold and will not offer or sell any Notes other than to persons:
 - (A) whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses; or
 - (B) who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses,

where the issue of the Notes would otherwise constitute a contravention of Section 19 of the FSMA by the Issuer;

- (b) **Financial promotion:** it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) **General compliance:** it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Law of Japan (Law No. 25 of 1948, as amended) and, accordingly, each Dealer has undertaken that it will not offer or sell any Notes directly or indirectly, in Japan or to, or for the benefit of, any Japanese Person or to others for re-offering or resale, directly or indirectly, in Japan or to any Japanese Person except under circumstances which will result in compliance with all applicable laws, regulations and guidelines promulgated by the relevant Japanese

governmental and regulatory authorities and in effect at the relevant time. For the purposes of this paragraph, "**Japanese Person**" shall mean any person resident in Japan, including any corporation or other entity organised under the laws of Japan.

Kingdom of Spain

The Notes may not be offered, sold or distributed, nor may any subsequent resale of Notes be carried out in Spain, except in circumstances which do not constitute a public offer of securities in Spain within the meaning of the Spanish Securities Market Law (*Ley 24/1988, de 28 de Julio, del Mercado de Valores*), as amended and restated, or without complying with all legal and regulatory requirements under Spanish securities laws. No publicity or marketing of any kind shall be made in Spain in relation to the Notes.

Neither the Notes nor the Base Prospectus have been registered with the Spanish Securities Market Commission (*Comisión Nacional del Mercado de Valores*) and therefore the Base Prospectus is not intended for any public offer of the Notes in Spain.

General

Each Dealer has represented, warranted and agreed that it has complied and will comply with all applicable laws and regulations in each country or jurisdiction in or from which it purchases, offers, sells or delivers Notes or possesses, distributes or publishes this Base Prospectus or any Final Terms or any related offering material, in all cases at its own expense. Other persons into whose hands this Base Prospectus or any Final Terms comes are required by the Issuer and the Dealers to comply with all applicable laws and regulations in each country or jurisdiction in or from which they purchase, offer, sell or deliver Notes or possess, distribute or publish this Base Prospectus or any Final Terms or any related offering material, in all cases at their own expense.

The Dealer Agreement provides that the Dealers shall not be bound by any of the restrictions relating to any specific jurisdiction (set out above) to the extent that such restrictions shall, as a result of change(s) or change(s) in official interpretation, after the date hereof, of applicable laws and regulations, no longer be applicable but without prejudice to the obligations of the Dealers described in the paragraph headed "General" above.

Selling restrictions may be supplemented or modified with the agreement of the Issuer. Any such supplement or modification may be set out in the relevant Final Terms (in the case of a supplement or modification relevant only to a particular Tranche of Notes) or in a supplement to this Base Prospectus.
